75% of world's letters and faxes are in English.

think about:

1. learning grammar;

You need to practice grammar together with vocabulary

2. learning vocabulary (words and idioms);

It's better to learn a few words at a time and practice them

3. learning pronunciation;

It's important to learn both formal and informal English

4. reading;

You need to look words up in the dictionary and make a note of the most useful ones

5. listening to pop music, the radio, watching videos and educational TV programmes
