Indigo

GM Womenswear Brands //

What does the brand stand for?

Indigo is the perfect mix of style, quality and authentic denim at great value. Individually designed for that relaxed, laid back look, Indigo offers casual feminine style through thoughtful design, engineered fit and truly authentic washes and looks.

Who is our target customer?

- She loves casual style: She likes to put a lot of effort into her outfit, but she doesn't want to be seen to have made much effort as she likes to look laid back.
- She creates her own look and isn't defined by labels: She likes to think of herself as quite original in terms of her thinking and dressing. She isn't romanced by labels, she will wear something because it is the right style for her.
- She wants quality clothes that fit and flatter her.

What Indigo is...

- Indigo is Mum friendly
- Indigo is Engineered fit
- Indigo is Premium quality denim

What Indigo isn't...

- Indigo isn't mummy
- Indigo isn't Elasticated waists
- Indigo isn't Premium price revealing
