LISTENING

- **Listen to a tape and choose a suitable way of arriving in Britain for the following people and give one reason for each choice:**
 - a Swedish student
 - a Parisian who needs to get to the centre of London
 - a German couple who want to go on a holiday to the south coast
 - a businesswoman

Studying the advertisement

**London City Airport has the shortest
check-in time in Europe**

**Why waste time flying from
anywhere else?**

Frequent scheduled flights to
**...ANTWERP • BRUSSELS • DUBLIN • FRANKFURT
GENEVA • HAMBURG • HUMBERSIDE • LUGANO
PARIS • ROTTERDAM • ZURICH...**

London's first airport designed for
the business traveller is
attracting an increasing number
of loyal, regular passengers,
which should come as no
surprise, considering what
a civilised experience it
makes of business
flying.

No more than 15 minutes from the
City (25 minutes from the West
End), with no queues and a
check-in time of only 10
minutes, London City Airport
is the most time-saving,
trouble free way to fly on
business to more and
more destinations
within Europe.
