

*FIND THE SECRET MESSAGE*

**OPEN**

A cartoon illustration of a building entrance. The building has orange walls and two windows with teal panes. The entrance features a set of three light brown steps leading to a pair of dark brown double doors with teal glass inserts and silver handles. A red sign with the word 'OPEN' in white capital letters hangs from the top of the doors. On either side of the steps are light brown pillars topped with spherical ornaments. Green bushes and a green lawn are visible in the foreground.

Now decide which lesson each of these teachers teaches:

1) "Julius Caesar was killed in 44 B.C."

- Science
- History
- English

2) "Start by holding your racket pointing away from you."

- P.E.
- Music
- Art

3) "What's the capital of Brazil?"

- Geography
- English
- History

4) "The first element in the periodic table is hydrogen."

- Biology
- Physics
- Chemistry

5) "In the expression  $x + 5 = 7$ , the only value that  $x$  can have is 2."

- Biology
- Algebra
- Geometry
