

My guide to learning English

English is one of the most important languages in the world.

About 400 million people speak English nowadays.

To become a better student you should set goals for yourself

To learn English you should evaluate yourself correctly

way to go			Student	great job!
Self-Reflection				
grading marks:		= Yes, I do this all the time!		
		= I could be doing better at this!!!		
		= I am not doing this and I need to work on this!!!		
Star Student: _____			Date: _____	quarter: _____
			I follow school and classroom rules.	
			I show respect for myself and others.	
			I have control over my actions.	
			I work well with other students.	
			I stay on task and do my work.	
			I follow directions the first time they are given.	
			I always complete my homework.	
			I am organized.	

One of your goals should be the skill of public speaking

Time management

The image shows a hand-drawn study schedule on graph paper. On the left side, there is a large, faint illustration of a Ferris wheel. On the right side, there are several pens in various colors (black, orange, blue, green, pink) and a red pencil. The schedule is organized into four main columns: STUDY, SCHEDULE, PSYCHOLOGY, and HOW WE SEE. Each column has a list of tasks and items to be studied or completed.
