

*My Favorite  
destination*

**This summer, my parents and I went to the Altai mountains to the village «cave». We've always wanted to go to this beautiful and picturesque place.**

**just 12 days after my birthday we went to  
the Altai. We went there about 3 hours.**

When we arrived, all the seats were occupied by the lake, we were desperate, but then our friends novokuznechane, gave us a place because they had to leave.

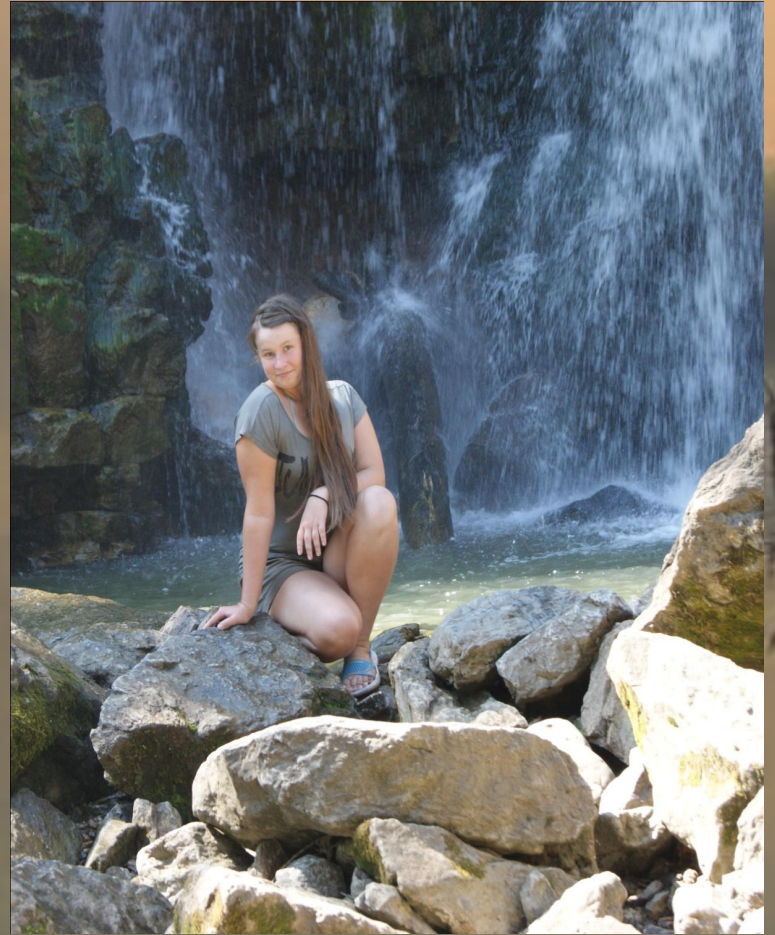

We immediately put a tent, and went to see the whole neighborhood. There has been surprisingly good.

**A large mysterious lake. Big, beautiful and powerful waterfalls. How do I want to be there again. We lived there for 3 days.**

It was the most exciting 3 days of my life. This place is appreciated not only by us, but still lot of people, even though the water was very cold, all bath-ed.

**At the waterfall there was no free space. And at night, there were discos for young people.**

I am glad that we went there, because every night there, we sat around the fire and his family spoke. I am very sorry to leave with this wonderful place.

A serene sunset over a body of water. The sky is a mix of soft orange, yellow, and light blue. The water is calm, reflecting the sky. In the background, there is a dark silhouette of a forest. In the foreground, there are some reeds or tall grasses on the left and right sides. The overall mood is peaceful and calm.
