

**MEDICAL FACULTY of  
Federal State Budget  
Educational Institution of  
Higher Education  
“Chuvash State  
University named  
after I.N. Ulianov”**

# **Medical Faculty of the Chuvash State University named after I.N. Ulianov was founded on the 1<sup>st</sup> of September, 1967**

Since its foundation faculty  
prepared and graduated about

**20 000**

doctors of different specialities

# Medical Faculty of ChuvSU named after I.N. Ulianov

Nowadays medical faculty is the largest educational and scientific complex that accomplishes training of healthcare professionals for Healthservice of Chuvash Republic, Volga Federal District, Russian Federation and other countries

# Medical Faculty of ChuvSU named after I.N. Ulianov

Currently our faculty educates  
about **6000** students

from **42** regions of Russian

Federation and **40** countries  
(Egypt, India, Iraq, Iran, Israel,  
Syria, Marokko, Tunisia, Tajikistan,  
Uzbekistan, Turkmenistan,  
Algeria, Congo, Jordan, etc.).

Tuition is conducted in Russian  
and English languages

# Medical faculty is a scientific center

**24** departments are included into the medical faculty

Educational process is provided by more than

**400** teachers,  
about 70% have a degree of candidate or doctor of medical sciences

Annually staff of the medical faculty publish articles, textbooks and manuals, invent and introduce into practice new methods of diagnostics and treatment of different diseases

Academic staff of the medical faculty regularly travel abroad for participation in international conferences with scientific reports. They combine teaching with a clinical practice.
