An illustration featuring a central globe with a white grid of latitude and longitude lines. The globe is surrounded by six hands of various skin tones (brown, yellow, orange, red, pink, and light brown) reaching out from the edges to hold it. The hands are arranged in a circle, symbolizing global unity and mutual respect. The entire scene is set within a light blue circular frame. The text "Mutual Respect" is written in a large, bold, black sans-serif font across the center of the globe.
