

HOME AND AWAY.

Once we went to summer camp. It is located in the Krasnodar region. We drove a little more than a day by train.

We passed many beautiful places: fields, rivers, mountains, cities, tunnels.

We arrived there in the morning. We were immediately put on a bus. When we went there it was hot and a completely different climate.

But when
we saw it,
we were
happy.
The sea is
so
beautiful
and
spacious.

We had a great stay and returned home. Still, we really miss home and family.
