

The image features the text "Made in Germany" in a bold, white, sans-serif font. The text is set against a background of three horizontal, brush-stroke-like bands in black, red, and gold, which are the colors of the German flag. The bands are layered, with the black band at the top, the red band in the middle, and the gold band at the bottom. The text "Made in" is positioned on the black band, and "Germany" is positioned across the red and gold bands.
