

**RULES FOR SAFE BEHAVIOR**

**OF PUPILS DURING**

**AUTUMN HOLIDAYS**

**Dear Guys! So the time has come for the holidays, when you have enough time for relaxation, communication with friends.**

**But do not forget the rules of personal safety.**

# **Rules of conduct in public transport and on the street.**

- 1. In public places, be polite and considerate towards children and adults.**
- 2. Be attentive and careful on the carriageway, follow the traffic rules.**
- 3. In public transport, be attentive and careful when entering and exiting, at stops.**

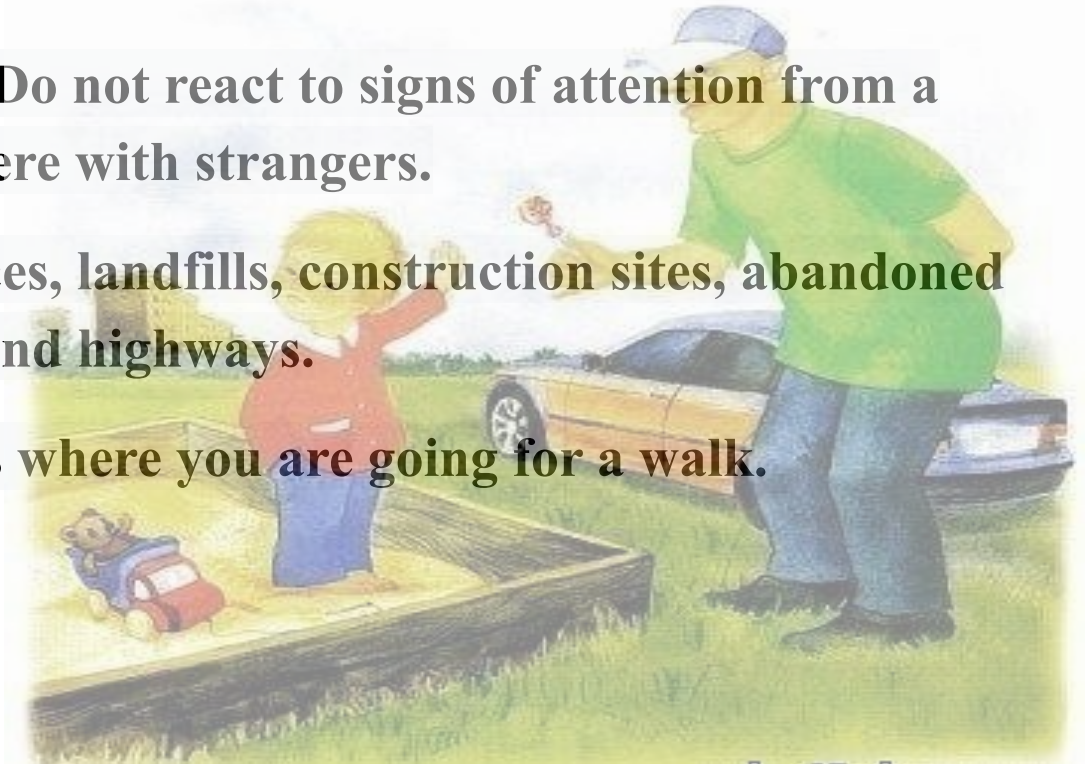

# **During the games, follow the rules of the game, be polite.**

**1. Don't talk to strangers. Do not react to signs of attention from a stranger. Don't go anywhere with strangers.**

**2. Do not play in dark places, landfills, construction sites, abandoned buildings, near railways and highways.**

**3. Always tell your parents where you are going for a walk.**

# Rules of conduct for the pupil in the store.

The background features a light blue outline of a house. Inside the house, a cartoon child with brown hair and a light blue face mask is shown from the chest up, wearing a yellow shirt. Below the child is a blue rectangular sign with the white text 'STAY AT HOME'. Several red, spiky virus-like icons with angry faces are scattered around the scene.

1. When you are going to the store, wear a mask and disinfect your hands.

2. Throw away the used mask in the trash. Remember that the mask can only be used once.

3. Try to keep your distance from people who have coughs and runny nose.

4. After you return home, **URGENTLY** wash your hands with soap and water.

# **Rules of behavior for a child when he / she is staying at home alone.**

**1. Don't open the door to strangers.**

**2. Stay away from the knife box.**

**3. Don't turn on the gas without adults.**

**4. If a fire or a sign of burning (high temperature, burning smell, etc.) is detected, the child must immediately leave the room.**

**5. Immediately call emergency services **112 or 101****
