

It is a my cat. It's name is Pupr, Pupr is 3.

My cat loves to sleep

As he sleeps on the sink. When I first saw it on the sink a sleep, I very laughed out loud. It was at night, I almost woke parents

When my cat is hungry, he comes into my room, and just to spite me sleeping on the printer. I scold him for it and feed.

This is my girlfriend. She very loves Pupr. Actually, everyone loves Pupr. Only small children can not raise it, because it is very heavy.

Pupr loves to sleep on the angle. He thinks he was not seen.

Pupr also likes to sleep on my feet.

That's all.

- Thank you for your attention
