ИХ ПОНИМАНИЕ В ПСИХОЛОГИИ

A person in a light blue t-shirt and dark shorts stands on a large rock in the foreground, with their back to the camera and arms raised in a gesture of triumph or joy. The background features a calm sea at sunset, with a small boat on the water and several islands visible on the horizon under a soft, orange and blue sky.

# ЛОКАЛИЗАЦИЯ

A hand is shown holding a cluster of sharp, white, crystalline structures, possibly representing a mineral or a biological sample. The background is dark, making the white structures stand out. The hand is positioned in the lower-left corner, with fingers curled around the base of the cluster. The overall image has a scientific or educational feel.
