

Hello! This is a house in a small village. Look! A girl and a boy are making two snowmen!

This is a girl snowman and a boy snowman! Their names are Julia and Tom!

Julia is very beautiful! She has a red little smile, a nose, two eyes and... a green hair!

And Tom is pretty too! He also has two eyes, a tiny smile and even an orange nose!

Julia and Tom stand together at night and now Tom loves Julia!

In the morning the girl looks out of the window and frowns because...

...Tom is gone!

Here he is! He is going on a journey!

Tom is looking at the hills and the sun.

“Wow... So beautiful!” he thinks.

**Tom sees sheep and a big mountain!**

He is walking in the dark forest...

In the forest the snowman meets a bird!  
“oh, what is it?” he thinks.

**Oh no! There is a river! It is very dangerous to cross it!**

**But Tom is a brave snowman!**

He is crossing the river!

Now Tom comes to the big mountain! “It is so high!”  
– the snowman thinks.

But Tom is not afraid! He is climbing on the mountain!

He is on the top of the montain...

...and he sees a big city!

The snowman is in the city! He is standing near the road.

“It’s so noisy... so many strange and fast things are running near me...” he thinks.

Look! These people are playing

Tom is surprised! He is looking at them and thinking: “What an interesting game!”

And now he is looking at something on  
the street...

...and smiling!

In the morning the girl looks in the window again and smiles because...

...Tom is back! He is tired, but he is so happy because...

...he brings a gift to Julia! She opens it and sees...

...a pair of red gloves! And also...

...a red hat and a red scarf with white spots! Julia is happy now!

Tom and Julia are holding hands... they are so cute!
