A vibrant illustration of a spring garden. In the foreground, several white daisies with bright yellow centers are in full bloom, some on tall green stems. A red ladybug is crawling on a green leaf. Several colorful butterflies are fluttering around: a large pink one in the upper right, a blue one in the middle right, a small blue one on a leaf on the left, and a small green one in the bottom right. The background is a clear, bright blue sky. The overall scene is cheerful and lively.
