

# Escape the North Pole

# Where are we?

You and your classmates were helping Father Christmas prepare for Christmas. You spent weeks in Father Christmas's grotto, making and wrapping Christmas presents for children all around the world.

Finally, on the night before Christmas, you all loaded up the sleigh with all of the presents, ready for Father Christmas to deliver. In the rush to begin his trip though, Father Christmas accidentally left you behind!

Now you are stranded at the North Pole with no way to get home in time for Christmas! The only way to get home is to unlock Father Christmas's phone and call someone to rescue you.

# Where are we?
