For experienced divers only, this holiday offers an amazing chance to explore the rocky caves along the coast of Mexico. You can only reach some of these areas by boat – a boat that will be your home for five days. After three days near the caves, the boat leaves the steep cliffs and heads for the ocean for two days – a chance to see some of Mexico's amazing marine wildlife.

On this seven-day walking holiday in the Philippines, you'll see mountains and valleys, lakes and forests. But the highlight of the week is the chance to stand beside Lake Pinatubo, a lake inside a volcano. Thirty years ago, this lake didn't exist at all. But when Mount Pinatubo erupted in 1991, the top of the volcano blew off. A shallow lake formed, which soon became deep because of all the rain. Take a break from the tropical heat by enjoying a swim in this beautiful and exotic natural feature!

Join Forest Trekkers on a Canadian adventure you'll never forget. We offer a two-week journey through the spectacular scenery of Canada. We promise you'll fall in love with this exciting and magical landscape, with its tall trees, clean waters and clear blue skies.
