A wide-angle photograph of a person in dark winter gear skiing across a vast, flat, and icy landscape. The person is pulling a sled loaded with gear, including a prominent red bag. The terrain is covered in snow and ice, with numerous small ice floes scattered across the surface. The sky is a clear, pale blue. The overall scene conveys a sense of isolation and extreme cold.

A topographic map of Europe and Asia. The map uses color to represent elevation: green for lowlands, yellow and orange for plateaus and low mountains, and brown for high mountains. The Caspian Sea is located between Europe and Asia. A white callout box with an orange border and a red pointer line points to the Caspian Sea. The text inside the box is in Russian: "КАСПИЙСКОЕ МОРЕ".
