

Coco Chanel - Gabrielle Bonheur Chanel

Coco Chanel was born on August 19, 1883 in Saumur, France. Her parents were not married. When Gabrielle was 12 years old, his mother died and his father sent the girl to a boarding school. Being forced to wear a uniform for many years, she wanted to dress all the women in their own way.

Chanel did not like clothes that made her walk with small steps. She believes that women have the right to wear comfortable clothing.

Throughout the long days of her life she ponders and makes the first sketches of the fashion, which later ceases known as "style of Coco Chanel."
