Hollywood

Boulevard

Peter will find Hollywood Boulevard interesting because he's interested in the movies and there are a lot of film museums in the street

Wall

David can find Wall Street interesting because he is an economist, he is interested in money

Street

Moscow - Arbat

Arbat is in the heart of Moscow. It is the most famous street of the city and, as Russian people say, the most beautiful street in the world. There are large sidewalks and many old historic buildings along the streets. There are also many street cafes, shops, theatres and restaurants there.

In Arbat you can do the shopping, go to the theatre or just enjoy yourselves walking around.
