

Here it is, **in front of** the beam, **between** the two packs of wires

Here it is, **on** the shelf, **between** the two jars

Here it is, **under** the fan, **between (below)** its blades

Here it is, **on** the floor, **close to (at)** the post

Here it is, **on** the floor, **under** the table

Here it is, **on** the lamp **near** the books, high **above** the floor

Here it is, **behind** an orange jar (**between** the jars)

Here it is, **in** a crocodile skull, **between** the jaws

Here it is, **on** a chest, **in front of** a strange TV-set

Here it is, **on** the left part of the ball, **in** a metal frame

Here it is, **between** the steps **above** the mechanism

Here it is, **in** the armchair

Here it is, **on** the table, **among** other things

I have hidden **15 silver bugs**.
Can you find them all?
Use prepositions of place to locate them.
