**My summer dream holiday I want to spend with my friends, because with them fun and interesting.**

**I want to visit Paris, because there are many different attractions I want to see. For example: Eiffel Tower, the Louvre, Versailles.**

**I want to visit Egypt and see the pyramids of Cheops. And visit Luxor: make a wish, to go around the Sacred Scarab beetle and touch him.**

**I want to visit Venice, Burano island, ride the gondola and buy products of Murano glass.**

**The end.**
