STRAWSON'S WATERPROOF
 For BOOTS AND SHOES. Price 1s.

This composition will be found the best ever brought before the public as a Waterproof for Leather. Boots and Shoes dressed with this composition will resist all damp from wet soil, wet grass, dew, and even snow, and will last three times as long as any others.

"Dear Sir,—I beg to tell you that I constantly apply your Waterproof Composition to my boots, and am so satisfied of its usefulness that I frequently recommend it to my friends; and not the least of its valuable qualities is, that it prevents leather from getting dry and hard. I have dressed with your Composition eight or ten months since, and the leather is as soft as a piece of the finest kid. You may be assured that I have the opinion of an expert in the matter. I am, dear Sir, very faithfully yours,
 JOHN STANLEY WHEAT, M.R.C.S."
 "Mr. Strawson."
 "Sir,—I have much pleasure in testifying to the value of your Waterproof for leather, which I have used for the last three or four years with the most complete success. Having resolved to submit to the test of experience, I had a pair of boots made of very thin leather, dressed twice with the Composition, and walked in them for some hours through fields of turnips and long wet grass, and returned home with my feet perfectly dry. I can with confidence assert that its use makes the leather softer and more durable, as well as perfectly waterproof, and I generally recommend it to gentlemen for whom I make boots for shooting, fishing, &c., as being the best thing of the kind I have ever tried.
 (Signed) GEORGE BISHOP.

EXTRAORDINARY CURE OF A COUGH
 The following letter has been received:—"Nightingale Hall, Edmonton.—
 "DEAR SIR,—I have recently suffered much from a most violent cough, proceeding from a thill in my chest, which no remedy, out of many I resorted to, could allay. My head was constantly aching, and my whole frame entirely shaken. Having seen the good effects of your Balsam of Aniseed in several members of my family, I purchased a small bottle, and used it for a few days, and in a few days I was enabled to get up, and in a few days more I was enabled to go out, and in a few days more I was enabled to go to my usual avocations. I am, dear Sir, very faithfully yours,
 (Signed) GEORGE BISHOP.
 "Crewkerne, December 8, 1863."
 "Sir,—I have much pleasure in testifying to the value of your Waterproof for leather, which I have used for the last three or four years with the most complete success. Having resolved to submit to the test of experience, I had a pair of boots made of very thin leather, dressed twice with the Composition, and walked in them for some hours through fields of turnips and long wet grass, and returned home with my feet perfectly dry. I can with confidence assert that its use makes the leather softer and more durable, as well as perfectly waterproof, and I generally recommend it to gentlemen for whom I make boots for shooting, fishing, &c., as being the best thing of the kind I have ever tried.
 (Signed) GEORGE BISHOP.

HORNIMAN'S PURE TEA

The Pure Black is not artificially darkened in the leaf. The Pure Green has no Starch tint, being a dark olive hue. Is choice and strong, because it consists of the most valuable growths that are full of rich essential properties. Is moderate in price, because it is supplied direct from the Importers to the Consumers by Agents, to save all intermediate profits. Is wholesome to use, because it is not 'faced' with the usual powdered mineral colors. These advantages have secured for this Tea a general preference. To ensure its reaching the purchaser at a good value, it is sold in packets at the price printed on each, 3s. 4d., 3s. 6d., 4s., & 4s. 6d. per lb. STRAWSON'S WATERPROOF

"Dear Sir,—I beg to tell you that I constantly apply your Waterproof Composition to my boots, and am so satisfied of its usefulness that I frequently recommend it to my friends. Not the least of its valuable qualities is, that it prevents leathers from getting dry and hard. I have this day put on a pair of my boots for the first time, which I dressed with your Composition eight or ten months since. The leather is as soft as the piece of the finest kid. You are at liberty to make any use of your Waterproof Composition, and I am, dear Sir, very faithfully yours, JAMES STRAWSON, M.L.C. "Mr. Strawson.
