

The background of the entire image is a light gray gradient. It is decorated with numerous realistic water droplets of various sizes. Some droplets are large and prominent, while others are small and subtle. They are scattered across the frame, with a higher concentration in the top-left and bottom-right corners. The droplets have a glossy, reflective surface with highlights and shadows, giving them a three-dimensional appearance.

QUIZ «AUSTRALIA»

GIVE THE PREDICTABLE ANSWER

- 1.What is population of Australia ?
