#### ЕГЭ Подготовка к устной части

**Task 1** Imagine that you are preparing a project with your friend. You have found some interesting material for the presentation and you want to read this text to your friend. You have 1.5 minutes to read the text silently, then be ready to read it out aloud. You will not have more than 1.5 minutes to read it.

You don't see many birds in winter. Most have left your area. Those that stay are not as active. Activity uses energy that is needed to keep warm.

The worst problems for birds in winter are getting enough heat and holding on to the heat once it is made. These are conditions for all birds. But it is especially true for water birds. They need enough food. The weather stays so cold that it is not easy to eat enough to keep alive. But birds are cold.

You shiver to keep warm. The heat comes from your muscles. The muscles make heat. One way of keeping warm is to move. Another way is to shiver. When your body is cold, you shiver. They become active so do birds.

**Task 2** Study the advertisement.

You are considering visiting the city. Find out more information. In 1.5 minutes you have to read out the following:

- 1) dates for departures
- 2) hotel facilities
- 3) if breakfast is included
- 4) number of city tours
- 5) discounts

#### Marvelous holiday

4 days in Berlin

**Task 3** Imagine that while travelling during your holidays you took some photos. Choose one photo to present to your friend. You have one minute to think it over.

You will have to start speaking in 2 minutes and will speak for not more than 2 minutes. In your talk remember to speak about:

- when you took the photo
  - what/who is in the photo
  - what is happening
  - why you took the photo
  - why you decided to show the picture to your friend
- You have to talk continuously.

**Task 4** Study the two photographs. In 2 minutes be ready to compare and contrast the photographs:

- give a brief description of the photos (action, location)
- say what the pictures have in common
- say in what way the pictures are different
- say which of the meals presented in the pictures you'd prefer
- explain why

You will speak for not more than 2 minutes. You have to talk continuously.
