

# My travels★

MY FIRST TRIP STARTED ON MADAGASCAR. IT WAS SUMMER AND THE WEATHER WAS VERY HOT. I DECIDED TO TAKE A WALK IN THE WOODS. THERE WERE A LOT OF ANIMALS FROM SMALL TO LARGE. THERE WERE A LOT OF TREES AND PLANTS IN THE FOREST. I SUDDENLY SAW DRY PLANTS. , BUT SUDDENLY SOMETHING BIT ME IT WAS A GECKO THAT LOOKED LIKE A DRY PLANT.

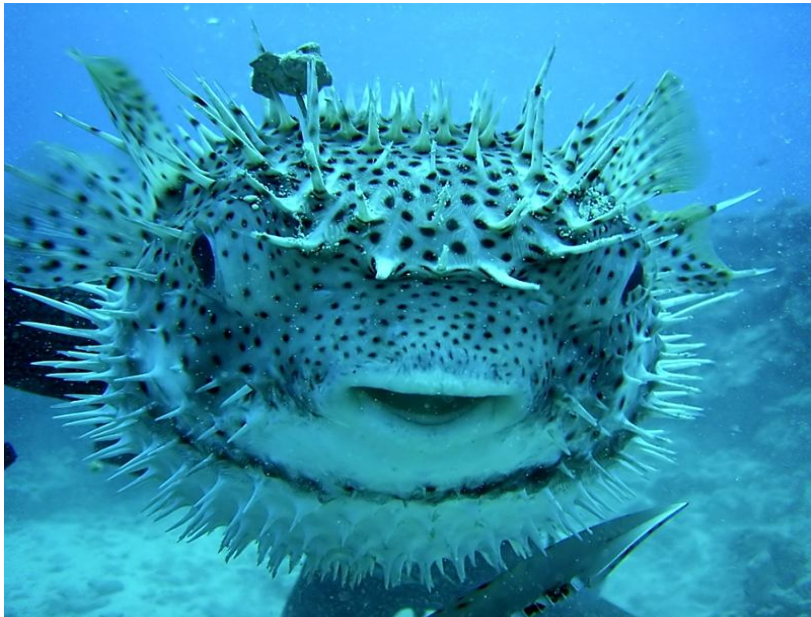

My second trip was on a boat. I swam from Madagascar to Indonesia, and sailed across the Indian Ocean. First everything was fine and calm, when suddenly a whale shark swam over my boat. It was very big and beautiful. But suddenly the shark surfaced and began to whip the waves. My boat started to swim where it is not known and I swam the debt until I got to Indonesia. I think. That auk

# I N D I A

I was flying from Madagascar on a helicopter to India. It was very hot and dry. Sometimes I went to the park of the rationing. Once I was walking the cow, she ran to me, I was very scared and ran away

I like Canada ? Yesterday there was festival, all the people danced in the park.

Then I went to admire the sea and saw the lovely fish that swam

Thank you very much for  
your attention
