See the stone set in your eyes
See the thorn twist in your side
I'll wait for you
Sleight of hand and twist of fate
On a bed of nails she makes me wait
And I wait, without you

With or without you
With or without you

Through the storm we reach the shore
You give it all but I want more
And I'm waiting for you

With or without you
With or without you
I can't live
With or without you

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

My hands are tied
My body bruised, she's got me with
Nothing to win and

3 California Roll (song)

Have you ever eaten sushi?
or a California roll?
Have you ever eaten kimchi?
Have you ever been to Seoul?

No, I've never eaten kimchi.
I've never been to Seoul.
And I've never ever ever had
a California roll.

Have you ever been arrested?
Have you ever gone to jail?
Have you ever had a diamond ring
or worn a wedding veil?

No, I've never been arrested.
I've never gone to jail.
I've never had a diamond ring
or worn a wedding veil.

I've never lived in Brooklyn.
I've never lived in Queens.
I've never eaten sushi in a house in New Orleans.

I've never eaten kimchi.
I've never been to Seoul.
And I've never ever ever had a California roll!
No, I've never ever ever had a California roll!
