

MY ROOM

(I would like)

The idea room

For the room in this style is characterized by smooth painted walls, clean lines, minimum details. All of this will play into the hands, and visually increase the room, it is not necessary in these rooms.

Room is made in
minimalism, that's the
best you can come up
with for the room.

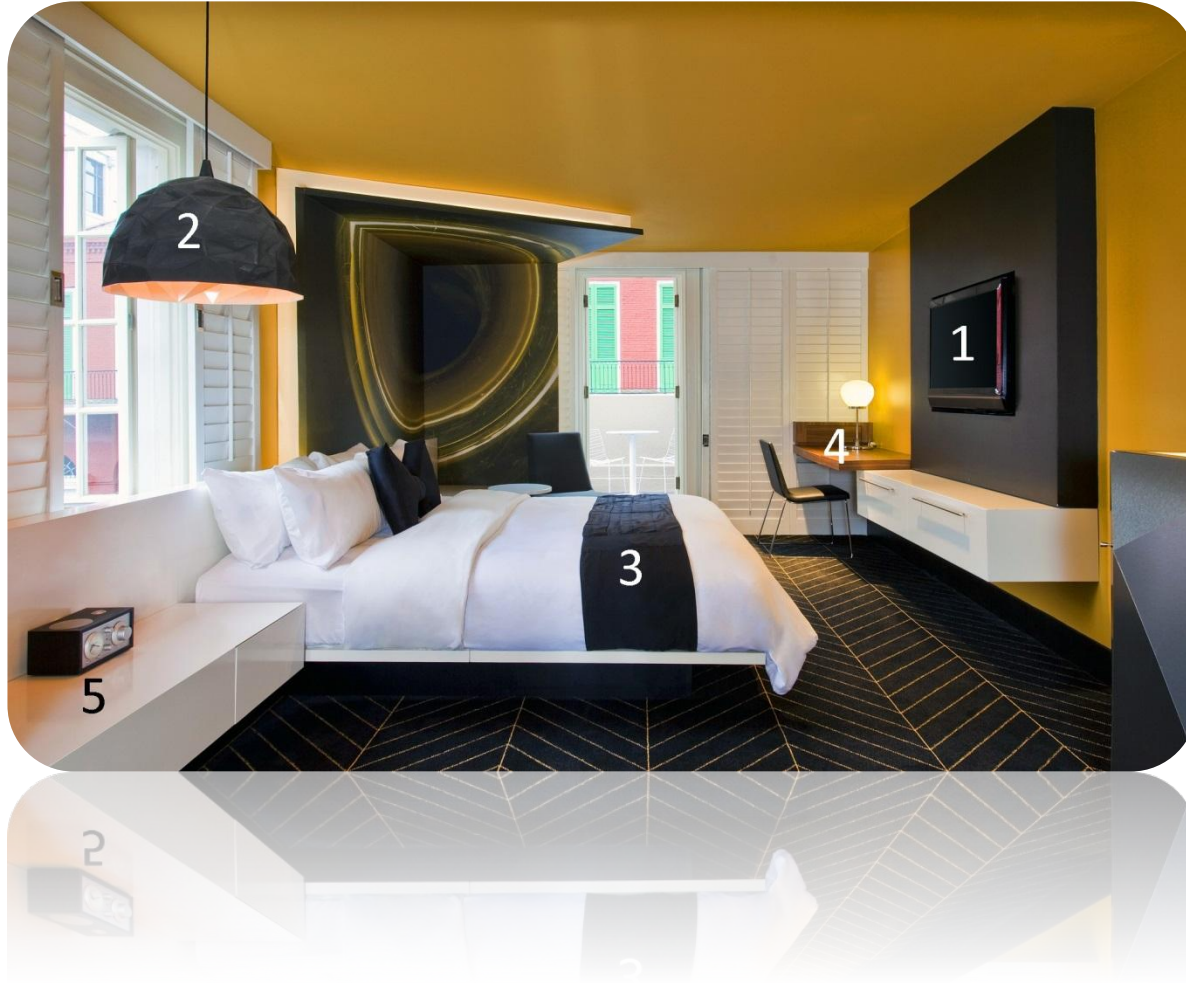

Not a lot of talk about
the atmosphere in the room

Facilities fit perfectly
with the Wallpaper and
flooring, they deliver
comfort living in her
person and mind

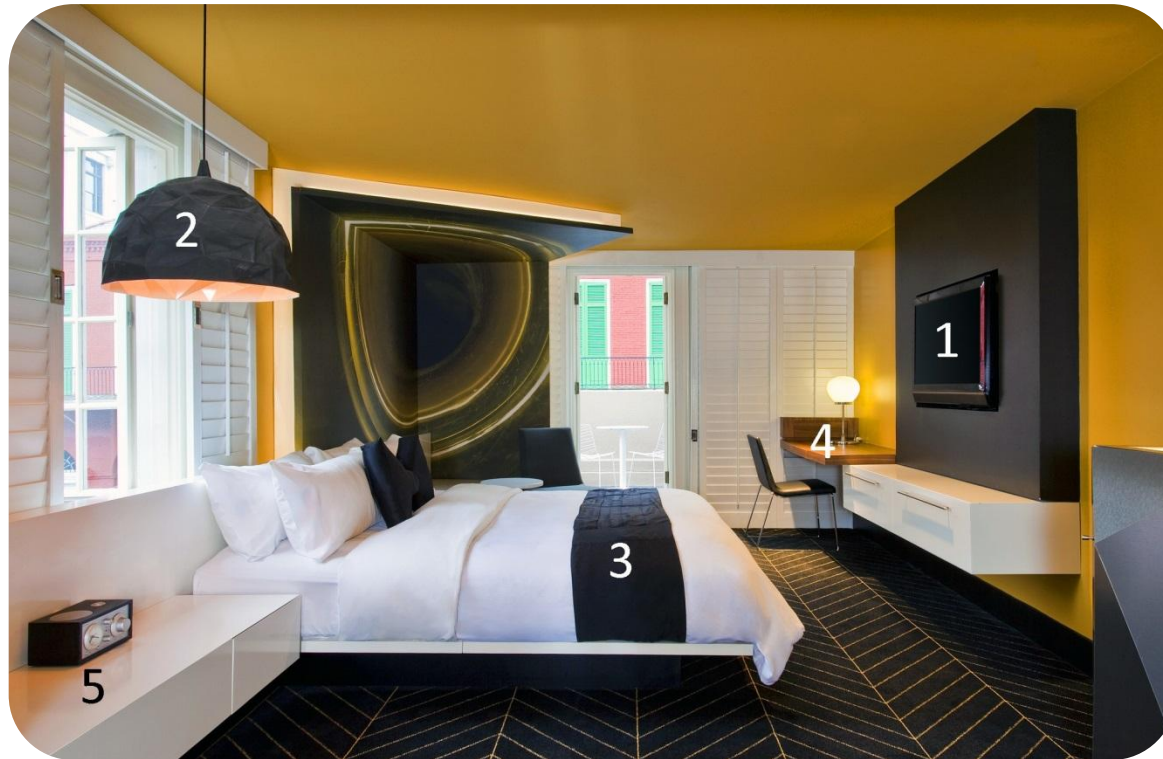

ROOM

1 TV was picked up in dark colors and fits perfectly into the interior.

2 chandelier located to improve the reflection of light around the room.

ROOM

3 The bed is made in white and black tones

4 Table set up in the right corner and occupies a minimum of space
