Shmetsy tools

The Shmetsy's tools package currently offers 3 tools:

- [Shmetsy Sketchy](#)
- [Treasury Maker](#)
- [Convos Sender](#)

Please read the updated user guides for the [Shmetsy Sketchy](#), the [Treasury Maker](#) and the [Convos Sender](#) before using the tools. We've made some changes!

Installation instructions:

- **For Firefox (4.0 or newer): --- This is an updated version from Oct. 23 ---**
 - If you have installed one of our tools before (e.g. [sendtreasuryconvos](#), [shmetsytreasurymaker](#), [shmetsystemtreasurydraft](#)), you'll need to uninstall it before installing the new version.
You can find instructions for uninstalling [here](#).
 - Click [here](#) to install the Firefox extension.
 - If you have trouble installing the extension, you can look at the [installation guide](#)
- **For Google Chrome: --- This is an updated version from May 18 ---**
