Hall

Upper room

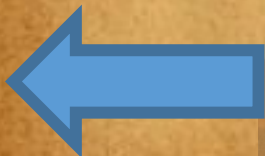

# Hall

In the hallways of the house there is a buffet, a small table and kitchen utensils, which was presented to the Museum by the townspeople. This in the 50-60-ies of the last century did on the city LDK for individual orders, and you can also see the icon, in his youth the poet was an atheist. Then moved to faith

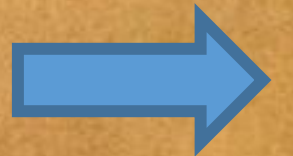

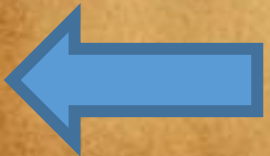

# Hall exhibits

Cap

The only item of clothing kept in museums – a cap of the poet, which hangs on a nail in the hallway. It is gray, but in general, as you know, in the clothes of E. A. Evtushenko prefer bright colors.

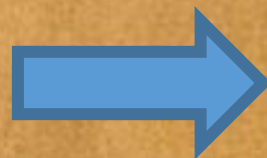

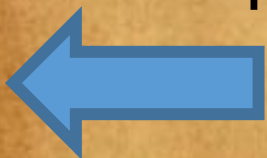

# Hall exhibits

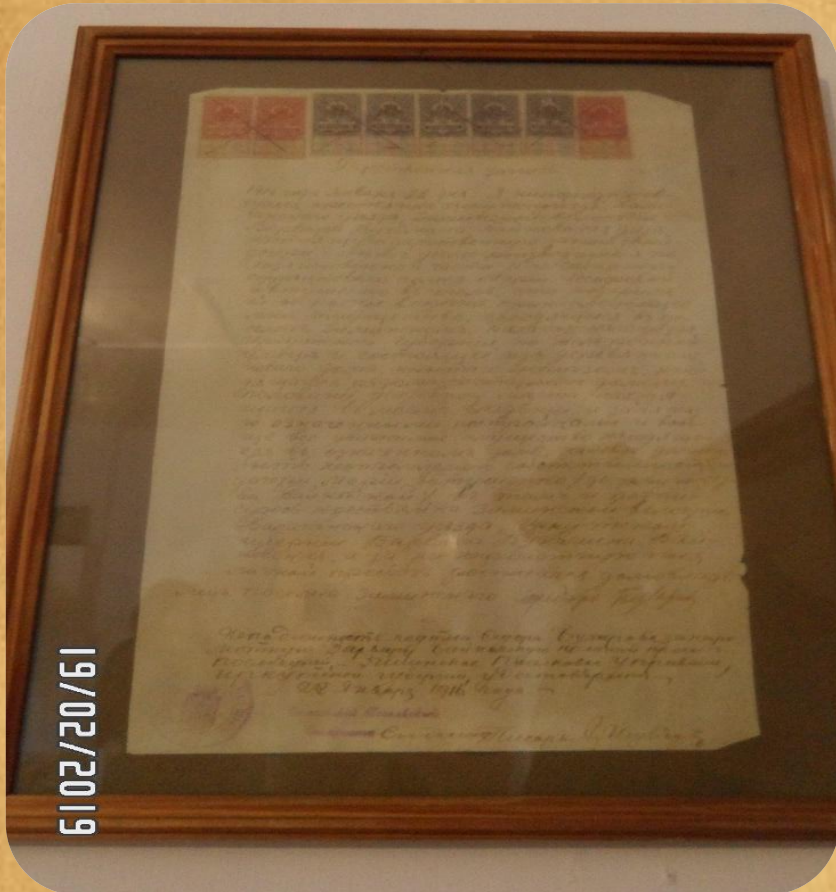

The painting – "house Yevtushenko"

The painting – "house Yevtushenko", written by the famous Irkutsk artist Vitaly Rogal In 1977, when this place was still the house of the poet's grandmother.

# Hall exhibits

Donation record

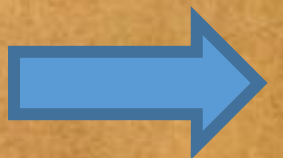

In the dedicatory record of 1916 States that the great-grandmother of the poet Flannelette Varvara Kuzminichna-the woman Balagansk district 19 January 1916, gave the house the grandmother of Eugene Aleksandrovich, Maria Iosifovna Yevtushenko.

# Upper room

In each house there was a room for the upper room. The room is decorated in a festive way: on the walls hung frames with photos of relatives on the mother's side, in the center is a round table. The room receives a lot of sunlight, lighting and showing the whole life and simplicity of this room.

# Exhibits of the room

This gramophone is a family relic of the head of the Department of culture V. M. tosenko, who was presented for the restoration of the house – Museum of poetry

Photo  
exposition

Let's take a closer look at the photos hanging on the walls: the Genealogy of Yevgeny Yevtushenko, goes back in time, is rich in dramatic events and ancestors of different nationalities, which in its Genesis is not easy to understand. However, you can see something in common that unites his ancestors: among them there were many active, gifted, advanced people of his time.

*In conclusion, I would like to say that the exhibits of the last century immerse us in the past, in the atmosphere of those years. But at the same time forced to think about the time when he lived and worked as a poet, that Limin roads brought Limin boy in the big world, where he became a famous poet.*
