GloVis Next

A new version of the GloVis website is available. New features include zoom, data set coverage display when zoomed out, full resolution browse when zoomed in, display of multiple data sets at once, and elimination of the Java requirement. Try GloVis Next and give us your feedback using the Feedback link at the top.

Try GloVis Next

Stay on the old site

Если это окно не загрузилось, то надо установить Java

The screenshot shows a web browser window with the URL <http://glovis.usgs.gov/>. The browser's address bar and tabs are visible at the top. Below the browser window, the USGS Global Visualization Viewer interface is displayed. The header includes the text "Earth Resources Observation and Science Center (EROS)" and "USGS Global Visualization Viewer". A "System Notices (2) (All New), 2 Critical" button is present. The main interface features a menu bar with "Collection", "Resolution", "Map Layers", "Tools", "File", and "Help". On the left, there is a map of North America with a red dot indicating the current location. Below this map, a red arrow points to the "WRS-2" section, which contains a table with the following data:

Path / Row	Lat / Long
29 / 30	43.2 / -97.1

Below the table, there are controls for "Max Cloud" (set to 100%) and "Scene Information" (ID: LE70290302014284EDC00, CC: 0%, Date: 2014/10/11, Qlty: 9, Product: ETM+ L1T). The "Oct" dropdown is set to 2014. The "Prev Scene" and "Next Scene" buttons are visible. The main display area shows a satellite image of a landscape with a green rectangular box highlighting a specific area. The bottom of the screen shows the Windows taskbar with various icons and the system clock indicating 8:20 on 31.10.2014.

I. Выбор географии

Можно тремя способами:

1. Кликнуть в окне карты на нужный район
2. Задать нужные Path и Raw (114-30 : зал. Петра Великого)
3. Задать нужные координаты

I. Выбор географии

1. Кликнуть в окне карты на нужный район

Screenshot of the USGS Global Visualization Viewer interface. The browser address bar shows <http://glovis.usgs.gov/>. The page title is "Earth Resources Observation and Science Center (EROS)".

The interface includes a menu bar with "Collection", "Resolution", "Map Layers", "Tools", "File", and "Help". A "Downloadable" button is visible above the main map area.

The main map displays a satellite image of a landscape with a green rectangular selection box. A red arrow points to the "Go" button next to the "Path / Row" input fields.

Input fields and controls:

- Path / Row: 29 / 30
- Lat / Long: 43.2 / -97.1
- Max Cloud: 100%
- Scene Information: ID: LE70290302014284EDC00, CC: 0%, Date: 2014/10/11, Qlty: 9, Product: ETM+ L1T
- Oct: 2014
- Buttons: Prev Scene, Next Scene
- Footer: Landsat 4 - Present List

The Windows taskbar at the bottom shows the date and time: 8:20, 31.10.2014.

I. Выбор географии

1. Кликнуть в окне карты на нужный район

The screenshot shows a web browser window displaying the USGS Global Visualization Viewer. The browser's address bar shows the URL <http://glovis.usgs.gov/>. The page title is "Earth Resources Observation and Science Center (EROS)". The main heading is "USGS Global Visualization Viewer". A notification box indicates "System Notices (2) (All New), 2 Critical". The interface includes a menu bar with "Collection", "Resolution", "Map Layers", "Tools", "File", and "Help". A "Downloadable" button is visible. The main map area shows a satellite image of Japan, with a red arrow pointing to a specific location. A green rectangular box highlights a region on the map. The left sidebar contains a "Collection" panel with a "WRS-2" section, showing "Path/Row: 114 30" and "Lat/Long: 43.2 131.5". Below this, there are "Max Cloud" controls and "Scene Information" (ID: LE71140302014288EDC00, CC: 0%, Date: 2014/10/15, Qlty: 9, Product: ETM+ L1T). The bottom of the sidebar has "Oct 2014" and "Go" buttons, along with "Prev Scene" and "Next Scene" buttons. The bottom of the browser window shows the Windows taskbar with various application icons and the system clock indicating 8:32 on 31.10.2014.

I. Выбор географии

2. Задать нужные Path и Row (114-30 : зал. Петра Великого)

Screenshot of the USGS Global Visualization Viewer interface. The browser address bar shows <http://glovis.usgs.gov/>. The page title is "Earth Resources Observation and Science Center (EROS)".

The interface includes a menu bar with "Collection", "Resolution", "Map Layers", "Tools", "File", and "Help". A "Downloadable" status indicator is visible above the main map area.

The main map displays a satellite image of the North Pacific Ocean, with a green rectangular box highlighting a specific region. The map is composed of several overlapping satellite swaths.

On the left side, there is a control panel with the following fields and buttons:

- WRS-2 Path/Row: 114 30 (Go button)
- Latitude: 43.2 (Go button)
- Longitude: 131.5 (Go button)
- Max Cloud: 100% (dropdown menu)
- Scene Information: ID: LE71140302014288EDC00, CC: 0%, Date: 2014/10/15, Qlty: 9, Product: ETM+ L1T
- Oct: 2014 (Go button)
- Prev Scene / Next Scene buttons
- Landsat 4 - Present List

A red arrow points to the "Max Cloud" dropdown menu.

The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 8:32 on 31.10.2014.

I. Выбор географии

3. Задать нужные координаты

Screenshot of the USGS Global Visualization Viewer interface. The browser address bar shows <http://glovis.usgs.gov/>. The page title is "Earth Resources Observation and Science Center (EROS)".

The interface includes a menu bar with "Collection", "Resolution", "Map Layers", "Tools", "File", and "Help". A "Downloadable" button is visible above the main map area.

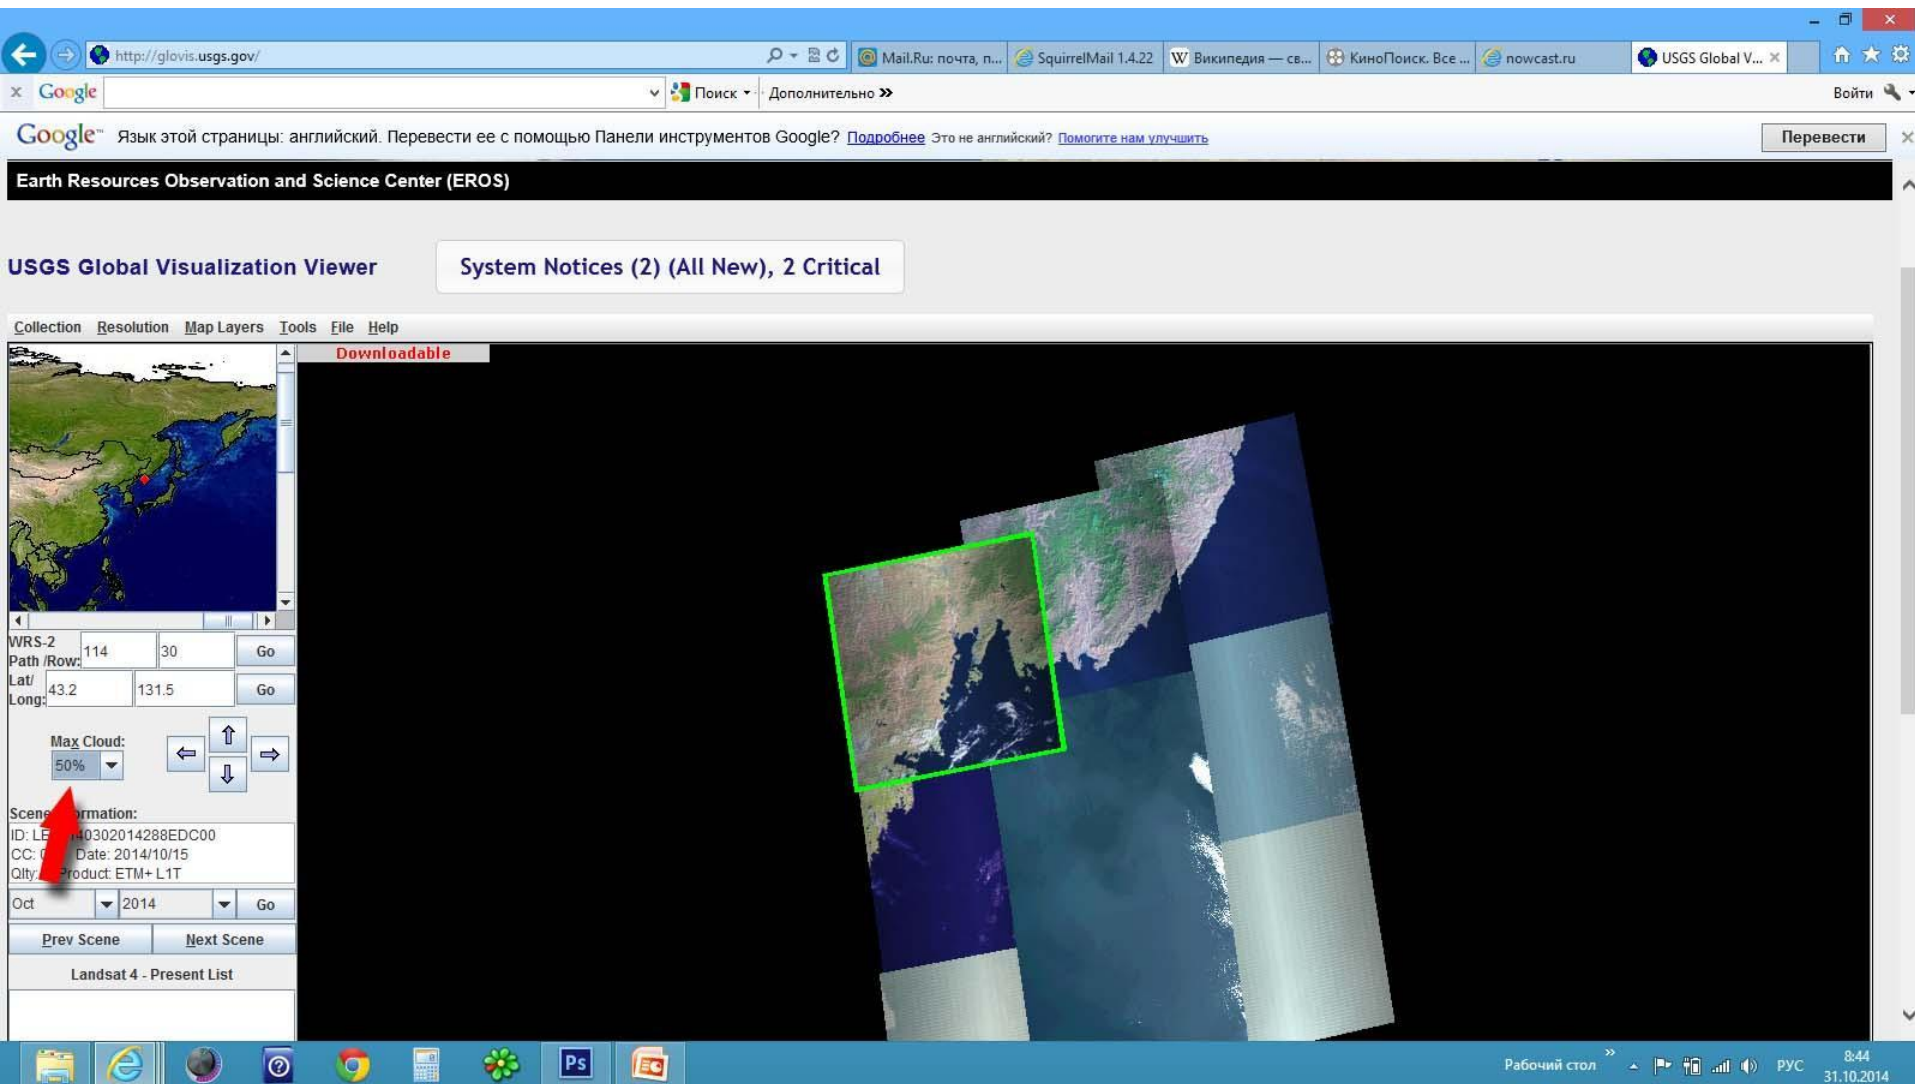

The main map displays a satellite image of a coastal region, with a green rectangular box highlighting a specific area of interest.

On the left side, there is a control panel with the following fields and buttons:

- WRS-2 Path/Row: 114 / 30 (Go)
- Lat/Long: 43.2 / 131.5 (Go)
- Max Clo: 100% (indicated by a red arrow)
- Scene Information: ID: LE71140302014288EDC00, CC: 0%, Date: 2014/10/15, Qlty: 9, Product: ETM+ L1T
- Oct: 2014 (Go)
- Prev Scene / Next Scene buttons
- Landsat 4 - Present List

The bottom of the screen shows the Windows taskbar with various application icons and the system clock displaying 8:32 on 31.10.2014.

II. Выбор макс. облачности

III. Выбор даты

1. Выбрать месяц и год и нажать кнопку Go

The screenshot displays the USGS Global Visualization Viewer web application. The browser window shows the URL <http://glovis.usgs.gov/>. The page header includes the Google logo and a translation notice. The main content area features a map of Japan with a red bounding box highlighting a specific region. The interface includes a menu bar with options like Collection, Resolution, Map Layers, Tools, File, and Help. A sidebar on the left contains a search bar and a date selection panel. The date selection panel has dropdown menus for the month (Nov) and year (1982), and a Go button. Red arrows point to these elements. The main map area shows a satellite image of the highlighted region.

4. Если сцена обработана, горит **Downloadable**

The screenshot displays the USGS Global Visualization Viewer web application. The browser's address bar shows the URL <http://glovis.usgs.gov/>. The page header includes the Google logo and a translation notice: "Язык этой страницы: английский. Перевести ее с помощью Панели инструментов Google? Подробнее Это не английский? Помогите нам улучшить". Below this, the text "USGS Global Visualization Viewer" and "System Notices (2) (All New), 2 Critical" are visible.

The main interface features a menu bar with "Collection", "Resolution", "Map Layers", "Tools", "File", and "Help". On the left, there is a map of East Asia with a red dot indicating the scene location. Below the map, a table shows the scene's coordinates and parameters:

WRS-2	Path	Row	Lat	Long
114	30	43.2	131.5	

Below the table, there are controls for "Max Cloud" (set to 50%) and "Scene Information" (ID: LM51140301984310HAJ00, CC: 4%, Date: 1984/11/5, Qlty: 9, Product: MSS L1T). Navigation buttons for "Prev Scene" and "Next Scene" are also present.

The main display area shows a satellite image of a coastal region. A red arrow points to the word "Downloadable" in the top-left corner of the image area, indicating that the scene is ready for download. The bottom of the screen shows the Windows taskbar with various application icons and the system clock displaying 9:31 on 31.10.2014.

IV. Добавление сцены в список ожидания

The screenshot displays the USGS Global Visualization Viewer (GLOVIS) web application. The browser window shows the URL <http://glovis.usgs.gov/>. The interface includes a search bar, a map of Japan on the left, and a large 3D visualization of a satellite scene in the center. A red box highlights a specific area within the 3D scene. Below the map, there are input fields for WRS-2 Path (114), Row (30), Lat (43.2), and Long (131.5), along with a 'Go' button. A 'Max Cloud' slider is set to 50%. The 'Scene Information' section displays the ID: LM41140301982344HAJ00, CC: 45%, Date: 1982/12/10, Qlty: 9, and Product: MSS L1T. At the bottom left, a red arrow points to the 'Add' button in the 'Landsat 4 - Present List' section. The USGS logo is visible in the bottom left corner of the application area. The Windows taskbar at the bottom shows the time as 8:59 on 31.10.2014.

USGS

IV. Добавление сцены в список ожидания

The screenshot displays the USGS Glovis web application in a browser window. The address bar shows the URL <http://glovis.usgs.gov/>. The browser's tab bar includes several open tabs: "Mail.Ru: почта, п...", "SquirrelMail 1.4.22", "Википедия — св...", "КиноПоиск. Все ...", "nowcast.ru", and "USGS Global V...". The Google search bar is visible with the text "Язык этой страницы: английский. Перевести ее с помощью Панели инструментов Google? Подробнее Это не английский? Помогите нам улучшить".

The main interface features a map of Japan on the left side. Below the map, there are input fields for "WRS-2", "Path / Row:", "Lat/Long:", and "Max Cloud:". The "Scene Information" section displays the following details: ID: LM41140301982344HAJ00, CC: 45%, Date: 1982/12/10, Qlty: 9, Product: MSS L1T. Below this, there are buttons for "Prev Scene" and "Next Scene".

The "Landsat 4 - Present List" section shows a table with one entry: "LM41140301982344HAJ00". A red arrow points to this entry. At the bottom of the list, there are buttons for "Add", "Delete", and "Send to Cart".

The main display area shows a 3D visualization of a satellite scene, with a red box highlighting a specific area of interest. The USGS logo is visible in the bottom left corner of the application area.

The Windows taskbar at the bottom shows the system clock as 8:57 on 31.10.2014, and the language is set to "РУС".

IV. Добавление сцен в список ожидания

The screenshot displays the USGS Glovis web application. The browser window shows the URL <http://glovis.usgs.gov/>. The Google search bar is visible with the text "Язык этой страницы: английский. Перевести ее с помощью Панели инструментов Google? Подробнее Это не английский? Помогите нам улучшить".

On the left side, there is a map of Japan with a red dot indicating the location. Below the map, the "Scene Information" section shows the following details:

- WRS-2: 114, 30
- Path / Row: 114, 30
- Lat / Long: 43.2, 131.5
- Max Cloud: 50%
- Scene Information: ID: LT51140301984310HAJ00, CC: 34%, Date: 1984/11/5, Qlty: 9, Sensor: TM
- Nov 1984
- Buttons: Prev Scene, Next Scene

Below the scene information, there is a "Landsat 4 - Present List" table with the following entries:

Scene ID	Thumbnail
LT51140301984230HAJ00	
LT51140301984262HAJ00	
LT51140301984310HAJ00	

A red arrow points to the scene ID "LT51140301984310HAJ00". At the bottom of the list, there are buttons: Add, Delete, Send to Cart.

The main area of the application shows a 3D visualization of satellite swaths over a map of Japan. A green box highlights a specific area of the swaths.

The USGS logo is visible in the bottom left corner of the application window.

The Windows taskbar at the bottom shows the following icons: Start button, Internet Explorer, Google Chrome, Firefox, Photoshop, and a folder icon. The system clock in the bottom right corner shows the time 9:28 and the date 31.10.2014.

V. Отправка заказа

Жмём кнопку «Send to cart».

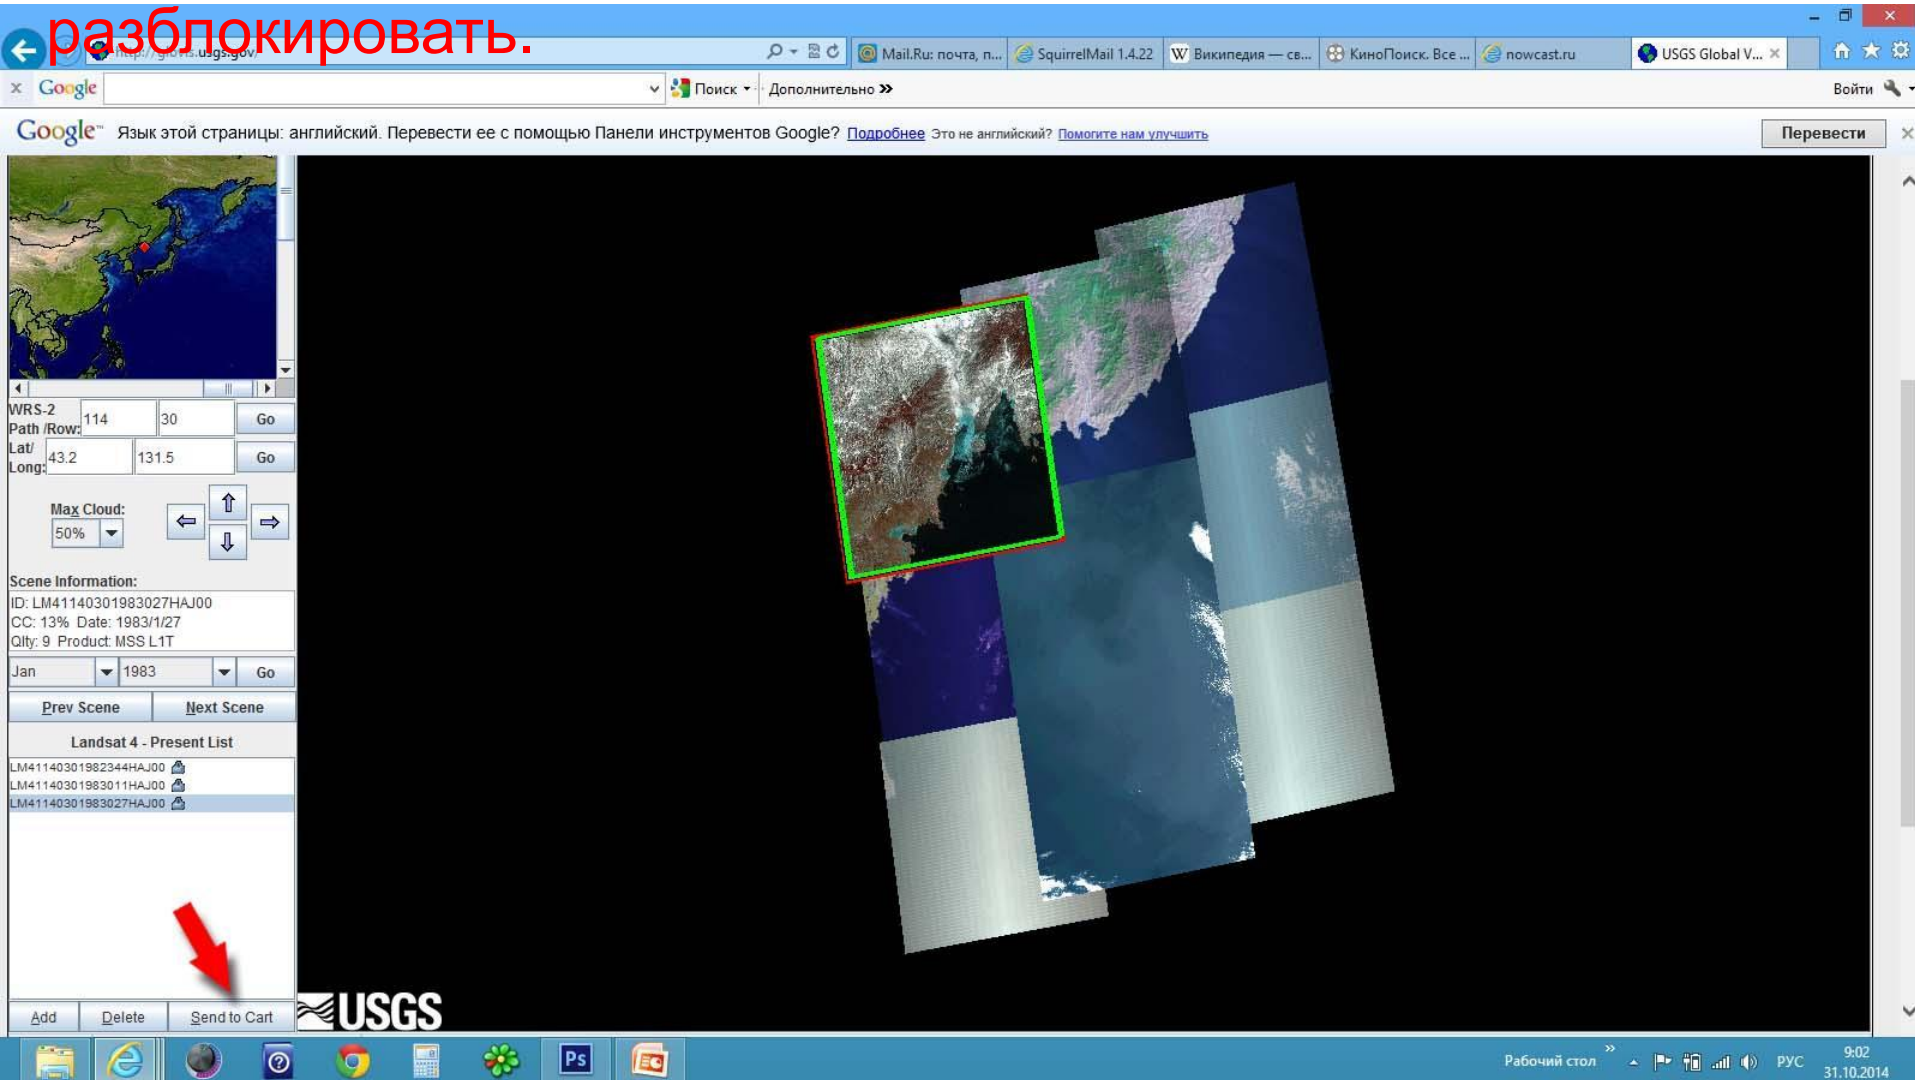

The screenshot shows the USGS Global Visualization Viewer (GLOVIS) web application. The browser address bar displays <http://glovis.usgs.gov/>. The Google search bar is visible at the top. 5. Если на ПК не установлен загрузчик (напр. FlashGet), то сохраняем средствами ОС: «Сохранить как..»

The screenshot shows the USGS EarthExplorer website in a web browser. The address bar displays the URL: <http://earthexplorer.usgs.gov/download/options/3119/LT51140301984262HAJ00?node=GV>. The page features the USGS logo and a list of download options, including 'LandsatLook' and 'Level 1 Product'. A 'FlashGet 3' download dialog is open, showing the URL and a 'Download' button. A red arrow points to the 'Сохранить' (Save) button in the Windows file save dialog at the bottom, which is prompted with the message: 'Вы хотите открыть или сохранить LT51140301984262HAJ00.tar.gz (111 МБ) из edclpdsftp.cr.usgs.gov?'.

VI. Загрузка сцен

5. Средствами ОС можно одновременно загружать
только 2 файла

The screenshot shows the USGS EarthExplorer website interface. The browser address bar displays the URL: <http://earthexplorer.usgs.gov/download/options/3119/LT51140301984262HAJ00?node=GV>. The page features the USGS logo and the text "science for a changing world". A list of download options is visible, including "LandsatLook", "LandsatLook", "LandsatLook", and "Level 1 Product". A FlashGet 3 download dialog box is open, showing the URL, a rename field set to "GV", a category of "Other", and a save location of "C:\Landsat\FGB". The dialog also displays a tip about volume C free space and a list of files including "LT51140301984262HAJ00.tar.gz". At the bottom of the screen, a Windows notification bar indicates a download of "LT51140301984262HAJ00.tar.gz (111 MB)" from "edclpdsftp.cr.usgs.gov?". The notification bar includes buttons for "Открыть" (Open), "Сохранить" (Save), and "Отмена" (Cancel). A red arrow points to the "Сохранить" button. The taskbar at the bottom shows various application icons, including Internet Explorer, Google Chrome, and Adobe Photoshop.

VI. Загрузка сцен

5. Средствами ОС можно одновременно загружать **только 2 файла**. При попытке загрузить третий, появится сообщение об ошибке

VI. Загрузка сцен

5. Загрузчик FlashGet открывает вначале окно с правильным URL сцены (напр. LT51140301984262HAJ00.tar.gz)

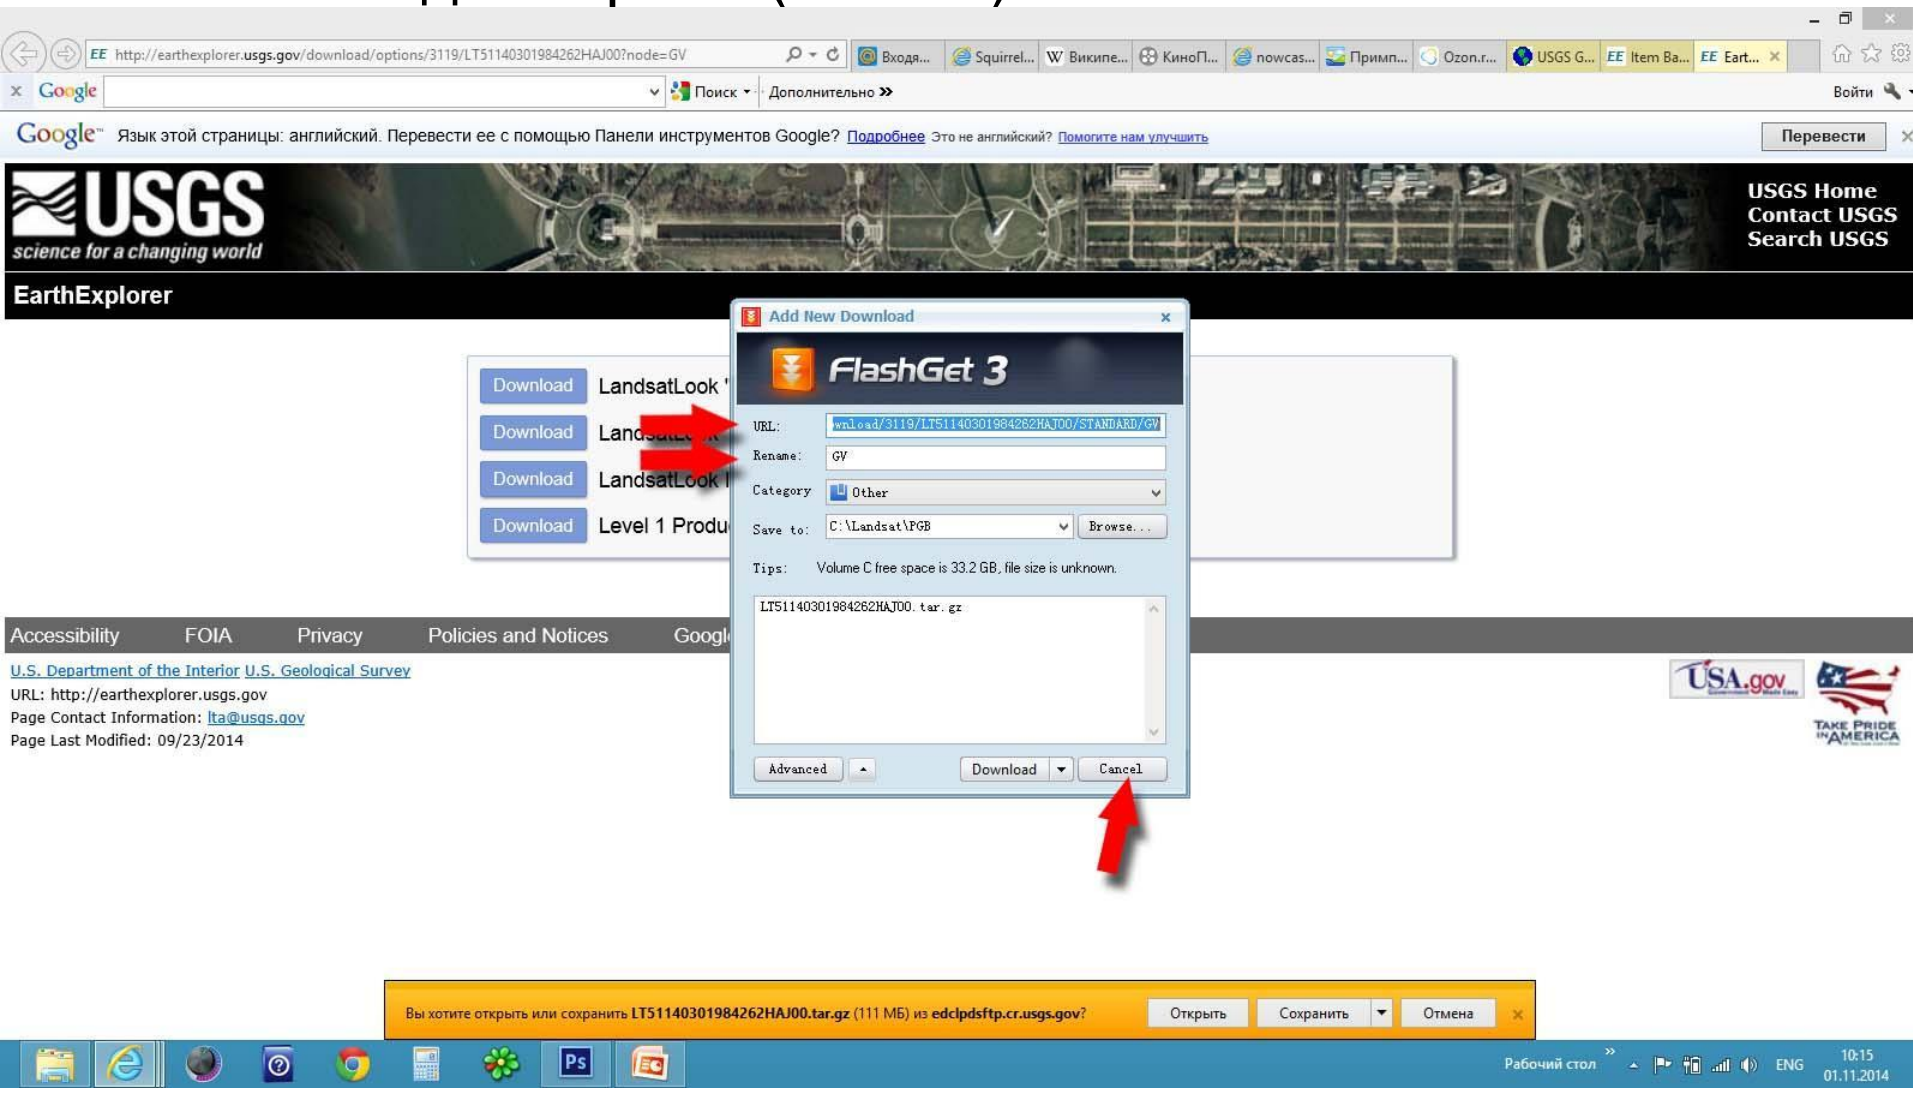

The screenshot shows the EarthExplorer website interface. The browser's address bar displays the URL: `http://earthexplorer.usgs.gov/download/options/3119/LT51140301984262HAJ00?node=GV`. The website header includes the USGS logo and the text "science for a changing world". The main content area shows a list of download options for a specific scene, with buttons labeled "Download". A red arrow points to one of these buttons. Overlaid on the website is a "FlashGet 3" dialog box titled "Add New Download". The dialog box contains the following information:

- URL: `3&iid=LT51140301984262HAJ00&id=69784135&ver=`
- Rename: `LT51140301984262HAJ00.tar.gz`
- Category: `Other`
- Save to: `C:\Landsat\FGB`
- Tip: Volume C free space is 32.9 GB, file size is unknown.

At the bottom of the dialog box, there is a text area for comments and buttons for "Advanced", "Download", and "Cancel". Below the dialog box, a status bar from the operating system shows a message: "Вы хотите открыть или сохранить LT51140301984262HAJ00.tar.gz (111 МБ) из edc\pdsftp.cr.usgs.gov?". The taskbar at the bottom of the screen shows various application icons, including Internet Explorer, FlashGet, and others. The system clock in the bottom right corner indicates the time is 10:32 on 01.11.2014.

VI. Загрузка сцен

Загрузчик FlashGet открывает вначале окно с правильным URL сцены. А почти сразу за ним – окно с ложным URL «GV»
Это окно надо закрыть (Cancel)

VI. Загрузка сцен

6. В окне загрузчика FlashGet задаёте путь куда копировать (Browse), затем нажимаете кнопку Download

The screenshot shows a web browser window displaying the EarthExplorer website. The address bar shows the URL: <http://earthexplorer.usgs.gov/download/options/3119/LT51140301984262HAJ00?node=GV>. The website header includes the USGS logo and the text "science for a changing world". The main content area shows a list of download links for LandsatLook and Level 1 Products. A FlashGet 3 dialog box is open, showing the URL: 3*11d=LT51140301984262HAJ00#d1d=69784135&ver=. The dialog box also shows the filename: LT51140301984262HAJ00.tar.gz, the category: Other, and the save location: C:\Landsat\FGB. A red arrow points to the "Browse..." button next to the save location. Another red arrow points to the "Download" button at the bottom of the dialog box. The bottom of the browser window shows a status bar with the text: "Вы хотите открыть или сохранить LT51140301984262HAJ00.tar.gz (111 МБ) из edclpdsftp.cr.usgs.gov?". The taskbar at the bottom shows various application icons, including Internet Explorer, Google Chrome, and several utility programs.

В появившемся новом окне жмём кнопку **Proceed To Checkout**.

The screenshot shows a web browser window with the URL <https://earthexplorer.usgs.gov/order/>. The browser's address bar and tabs are visible at the top. The page header features the USGS logo and the text "science for a changing world". Below the header, there is a navigation bar with links for "Home", "Profile", "Logout", "dubina", "RSS", "Feedback", and "Help". A warning message in a yellow box states: "Please Note: This page will expire at 4:12:48 AM CDT. Once expired, you will be logged out and your order may be lost." The main content area is titled "Order" and includes a note: "Note: Data sets may contain items with multiple product options. Expand a data set to view your list of ordered scenes including metadata and product options." Below this note, there is a dropdown menu showing "L4-5 TM (5)". At the bottom of the main content area, there are two buttons: "Save Changes" and "Proceed To Checkout". A red arrow points to the "Proceed To Checkout" button. The footer of the page contains links for "Accessibility", "FOIA", "Privacy", "Policies and Notices", and "Google Maps API Disclaimer". It also includes the U.S. Department of the Interior and U.S. Geological Survey information, the URL <https://earthexplorer.usgs.gov>, page contact information (lta@usgs.gov), and the page last modified date (09/23/2014). The footer also features the USA.gov logo and the "TAKE PRIDE IN AMERICA" logo. The Windows taskbar is visible at the bottom of the screen, showing various application icons and the system clock indicating 17:12 on 01.11.2014.

Заказ на обработку сцены

На адрес почты, которую мы указали при регистрации придёт столько писем с подтверждениями, сколько заказов.

В нашем примере придёт одно письмо с подтверждением Заказа на обработку 2-х сцен.

Когда сцены будут обработаны, придут письма со ссылками на них.
