The screenshot shows a web browser window displaying the USGS Global Visualization Viewer. The browser's address bar shows the URL <http://glovis.usgs.gov/>. The page header includes the text "Earth Resources Observation and Science Center (EROS)" and "USGS Global Visualization Viewer". A notification box indicates "System Notices (2) (All New), 2 Critical".

The main interface features a navigation menu with "Collection", "Resolution", "Map Layers", "Tools", "File", and "Help". On the left, there is a map of North America with a red dot indicating the current scene location. Below this map are controls for "Path / Row" (29 / 30) and "Lat / Long" (43.2 / -97.1), with a red arrow pointing to the "Go" button. There are also "Max Cloud" controls set to 100% and "Scene Information" including ID: LE70290302014284EDC00, CC: 0%, Date: 2014/10/11, and Qlty: 9 Product: ETM+ L1T. Navigation buttons for "Prev Scene" and "Next Scene" are present, along with a "Landsat 4 - Present List" link.

The main display area shows a satellite image of a landscape with a green rectangular box highlighting a specific area. A "Downloadable" label is visible at the top of the image area. The Windows taskbar at the bottom shows the system tray with the date 31.10.2014 and time 8:20.

The screenshot shows the USGS Global Visualization Viewer web application. The browser address bar displays <http://glovis.usgs.gov/>. The page title is "USGS Global Visualization Viewer" and it includes a "System Notices (2) (All New), 2 Critical" alert. The main interface features a map of the Pacific Northwest region with a red square highlighting a specific area. A large satellite scene is displayed in the center, with a red-bordered inset showing a zoomed-in view of the highlighted area. A red arrow points to the word "Downloadable" in the top-left corner of the scene area. The left sidebar contains a "Collection" menu, a "Map Layers" panel, and a "Tools" panel with a "Downloadable" button. Below the tools are input fields for "WRS-2 Path/Row" (114/30), "Lat/Long" (43.2/131.5), and "Max Cloud" (50%). The "Scene Information" section shows ID: LM51140301984310HAJ00, CC: 4%, Date: 1984/11/5, Qlty: 9, and Product: MSS L1T. Navigation buttons for "Prev Scene" and "Next Scene" are visible. 5. Средствами ОС можно одновременно загружать **только 2 файла**

The screenshot shows the EarthExplorer website interface. A "FlashGet 3" dialog box is open, displaying the URL: `http://earthexplorer.usgs.gov/download/options/3119/LT51140301984262HAJ00/STANDARD/GV`. The dialog box includes fields for "Rename" (GV), "Category" (Other), and "Save to" (C:\Landsat\FGB). Below these fields, it shows the file name: `LT51140301984262HAJ00.tar.gz`. At the bottom of the dialog box, there are buttons for "Advanced", "Download", and "Cancel".

In the background, the EarthExplorer website is visible, showing a list of download options with "Download" buttons. The website header includes the USGS logo and the text "USGS Home Contact USGS Search USGS". The footer contains links for "Accessibility", "FOIA", "Privacy", "Policies and Notices", and "Google".

At the bottom of the screen, a yellow file save dialog box is open, asking to save the file `LT51140301984262HAJ00.tar.gz (111 MB)` from `edc\pdsftp.cr.usgs.gov?`. The dialog box has buttons for "Открыть" (Open), "Сохранить" (Save), and "Отмена" (Cancel). A red arrow points to the "Сохранить" button.

5. Загрузчик FlashGet открывает вначале окно с правильным URL сцены (напр. LT51140301984262HAJ00.tar.gz)

The screenshot shows a web browser window displaying the USGS EarthExplorer download page. The address bar shows the URL: `http://earthexplorer.usgs.gov/download/options/3119/LT51140301984262HAJ00?node=GV`. The page header includes the USGS logo and the text "science for a changing world" and "EarthExplorer". The main content area shows a list of download options, including "Download LandsatLook I", "Download LandsatLook II", "Download LandsatLook III", and "Download Level 1 Product". A red arrow points to the "Download LandsatLook I" button. A FlashGet 3 dialog box is overlaid on the page, showing the URL: `3&iid=LT51140301984262HAJ00&did=59784135&ver=`, the filename: `LT51140301984262HAJ00.tar.gz`, the category: `Other`, and the save location: `C:\Landsat\FGB`. The dialog box also shows a tip: "Volume C free space is 32.9 GB, file size is unknown." and a comment input field. At the bottom of the browser window, a status bar shows the message: "Вы хотите открыть или сохранить LT51140301984262HAJ00.tar.gz (111 МБ) из edc\pdsftp.cr.usgs.gov?". The taskbar at the bottom shows the system tray with the time 10:32 and date 01.11.2014.

Загрузчик FlashGet открывает вначале окно с правильным URL сцены. А почти сразу за ним – окно с ложным URL «GV»
Это окно надо закрыть (Cancel)

The screenshot shows the EarthExplorer website interface. On the left, there is a list of download links, each with a 'Download' button. A red arrow points to the first 'Download' button. In the center, a 'FlashGet 3' dialog box is open, titled 'Add New Download'. The dialog box contains the following fields:

- URL: `http://earthexplorer.usgs.gov/download/options/3119/LT51140301984262HAJ00?node=GV`
- Rename: `GV`
- Category: `Other`
- Save to: `C:\Landsat\FGB`

At the bottom of the dialog box, there is a 'Cancel' button highlighted with a red arrow. Below the dialog box, a yellow notification bar at the bottom of the browser window reads: 'Вы хотите открыть или сохранить LT51140301984262HAJ00.tar.gz (111 МБ) из edclpdsftp.cr.usgs.gov?'. The system tray at the bottom shows the date and time as 01.11.2014 10:15.
