Unit 1 Aa Bb Cc

C

C

Let's learn!

C

A large, solid black letter 'C' is positioned on the left side of the frame. It is oriented vertically, with its bowl facing upwards and to the right. A thin black horizontal line extends from the bottom of the bowl to the right, ending in a small vertical tick mark. This line serves as a pointer, directing attention from the large black 'C' towards the three smaller red 'C's located to its right.

C C C

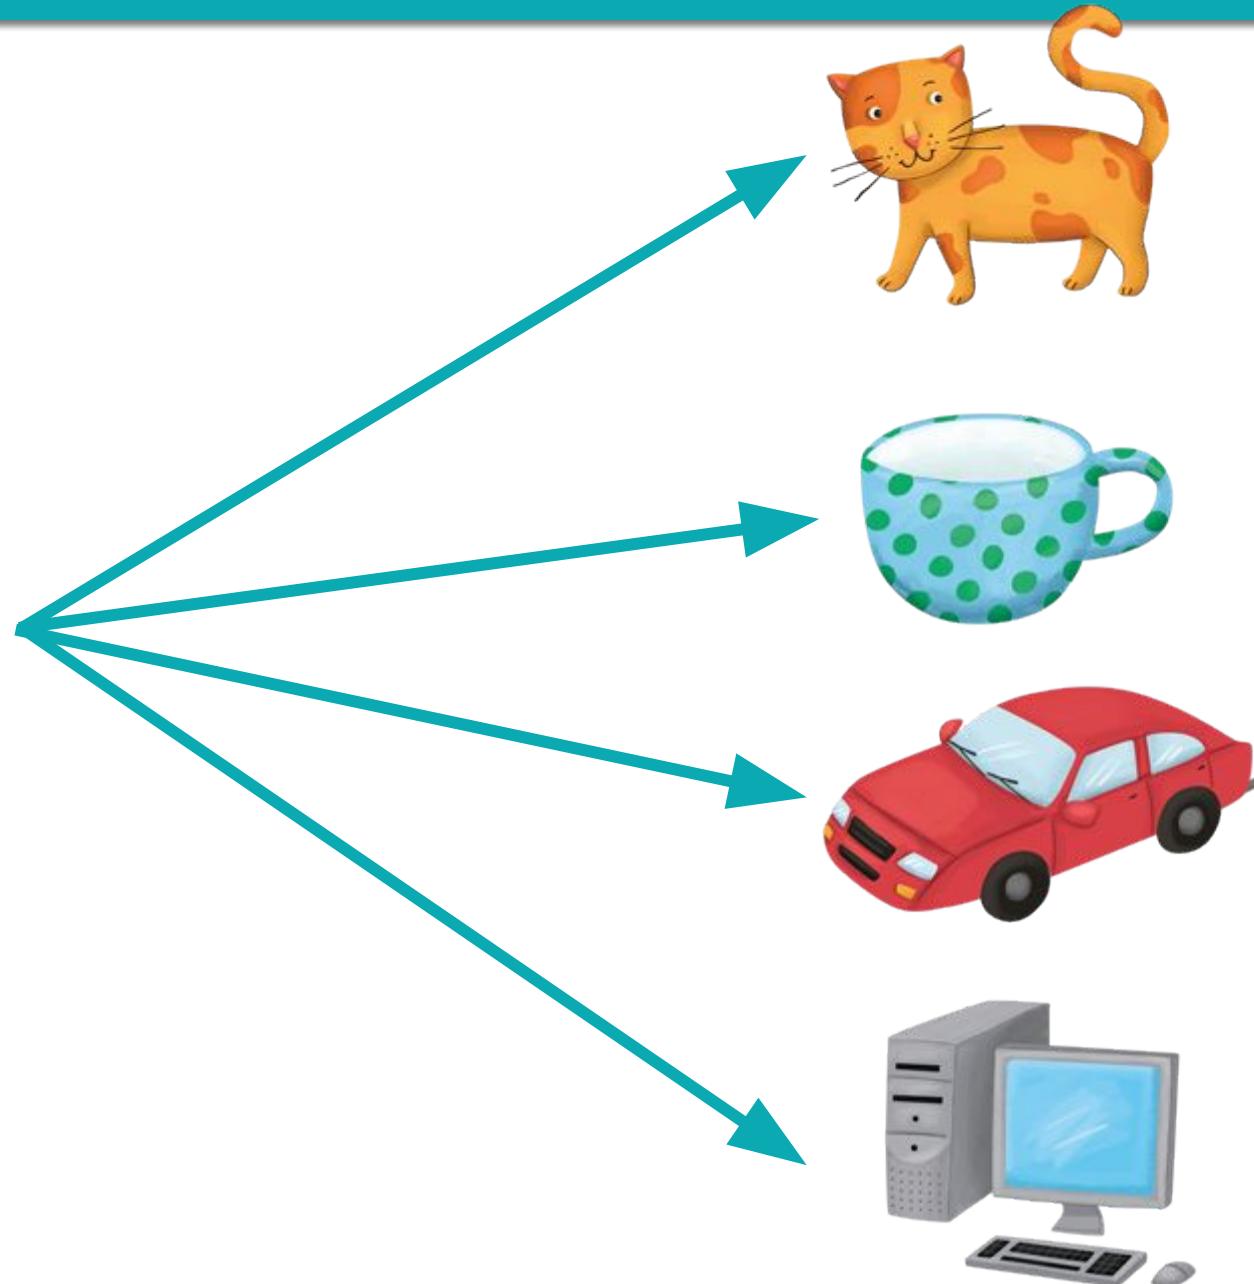

Three identical red letter 'C's are arranged horizontally in the center-right area of the image. They are all oriented in the same direction, with their bowls pointing towards the left. A large, thin black oval curve surrounds these three red 'C's, grouping them together visually.
