READING

A ghost

Once there lived a good English family in a small village. But they never celebrated Halloween. One Halloween night they sat round the table and prepared to have a special food. And suddenly they heard a low voice — yyyeeehhhhaaa! They looked — it was a ghost! They didn't believe their eyes but it was there. With screams they ran away to their neighbors and when they went back they saw, that ghosts ate every sweet thing from the table and on the chairs there sat three happy boys with white sheets in their hands.
