Interjection

Значение Meaning

- **Interjections.**
- Meaning. Interjections express feelings (*ah, alas*). They are not names of feelings but the immediate expression of them. Some interjections represent noises, etc., with a strong emotional colouring (*bang!*).

Форма Form

- Interjections are invariable.

Функция Function

- (a) usually do not enter into phrases.
- Only in a few cases do they combine with a preposition and noun or pronoun, e.g. *alas for him!*
- (b) In a sentence an interjection forms a kind of parenthesis. It may also be a sentence in itself, e. g. *Alas!* as an answer to a question.
