

This is Milly and
Molly...

...and their
things

By Svetlana Markova

It's his apple

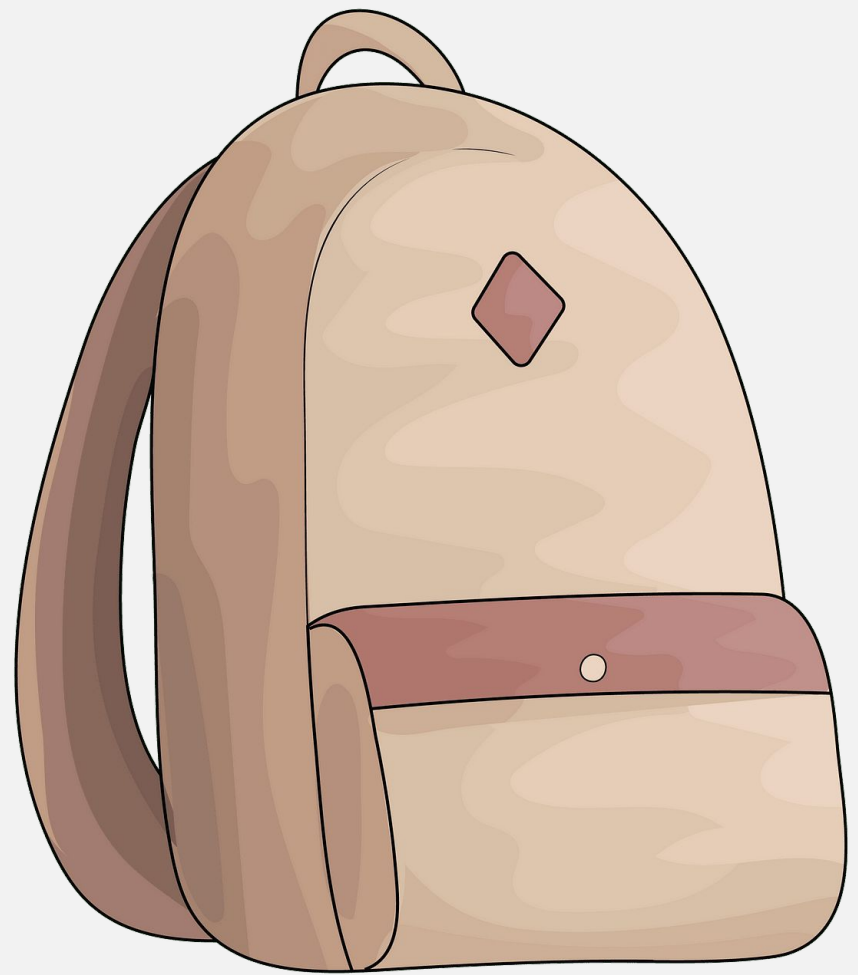

It's their
granny

It's her chair

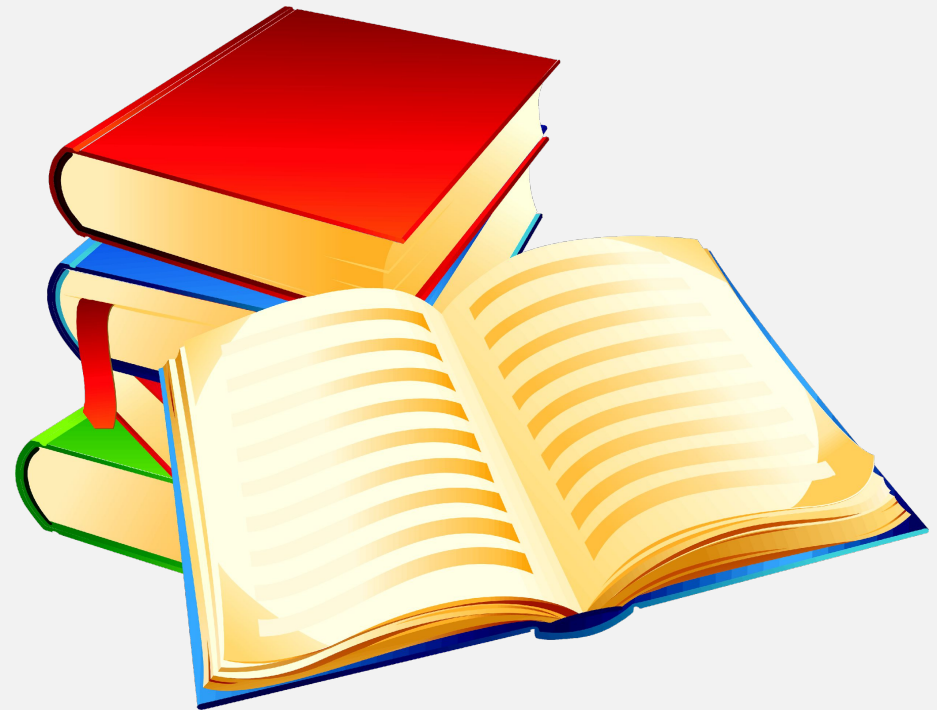

It's his teddy
bear

It's her bag

They are his
books

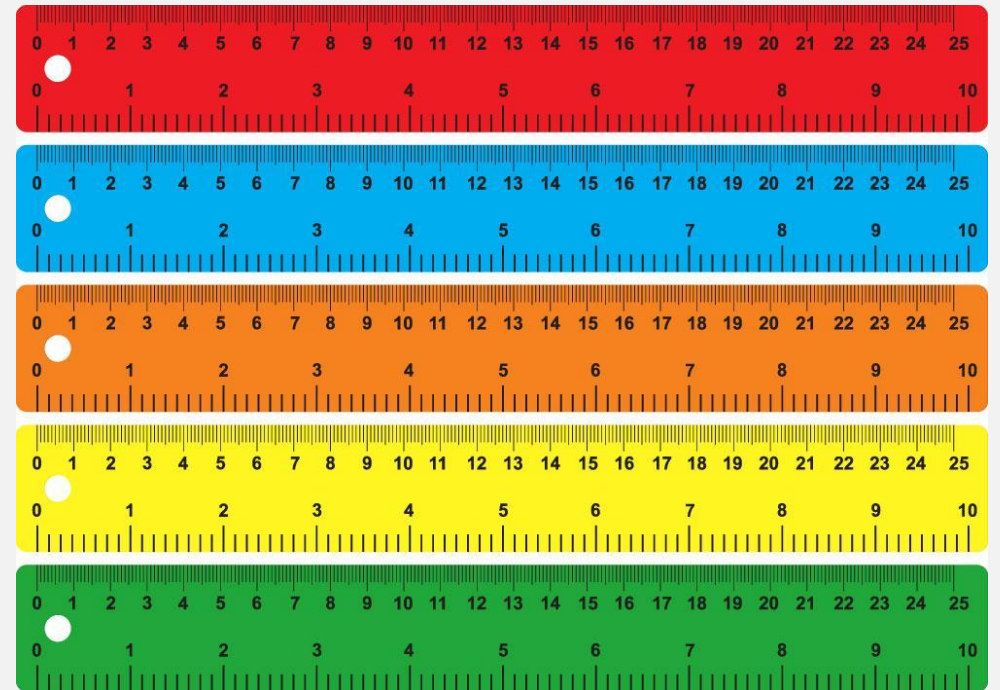

It's her pen

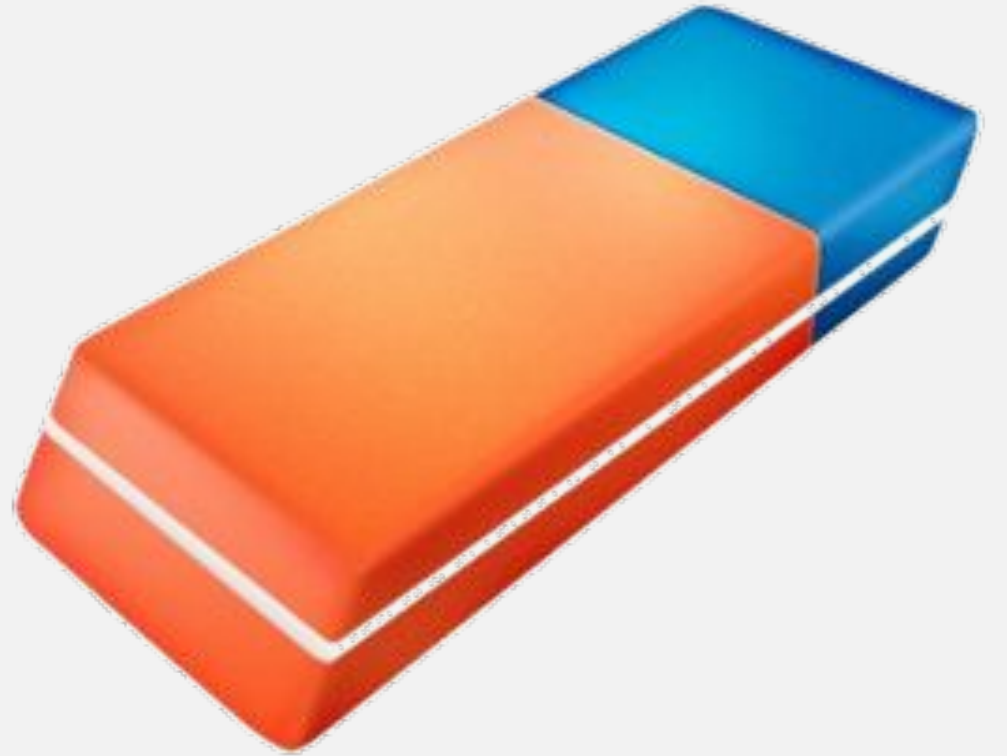

They are his
rulers

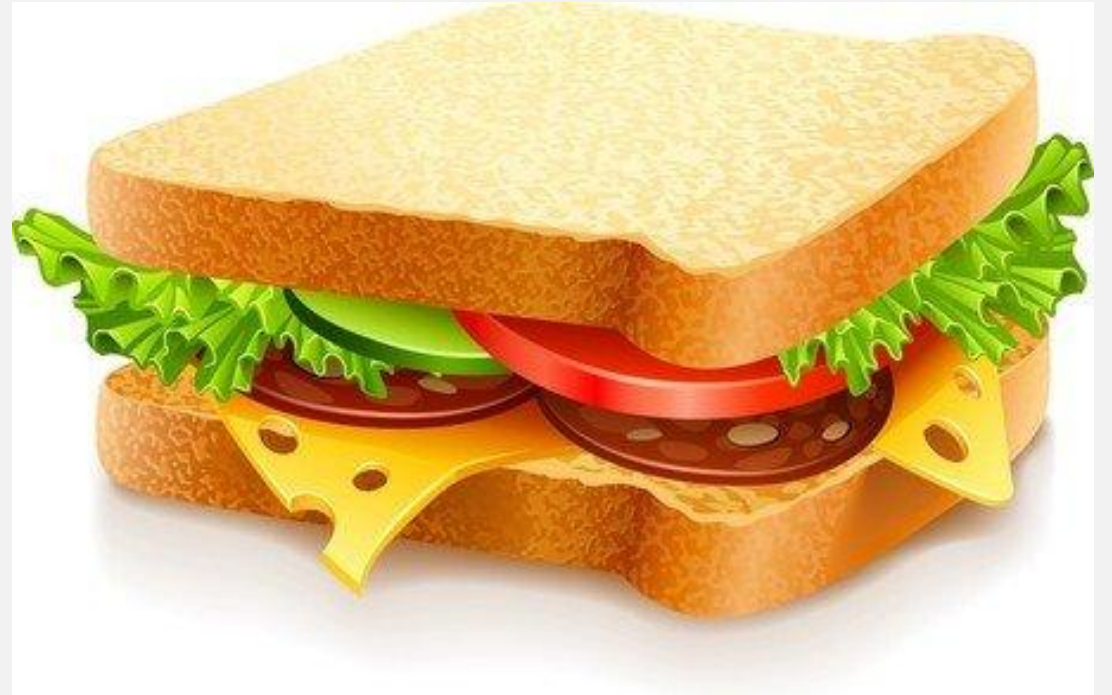

It's her
sharpeners

It's her
rubber

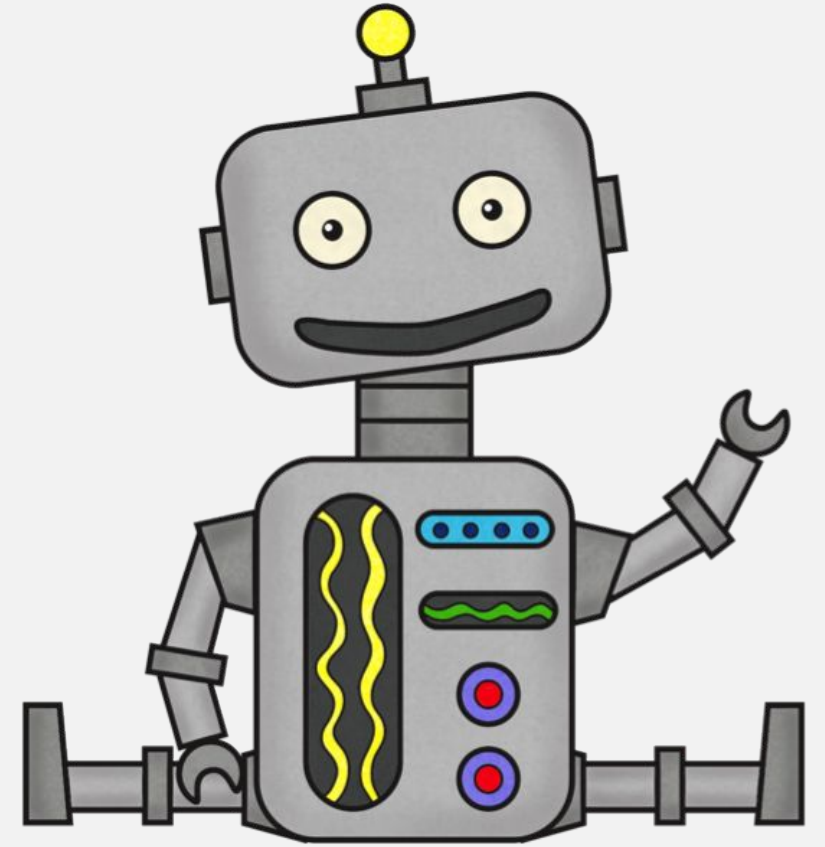

It's his
sandwich

It's their car

It's her
window

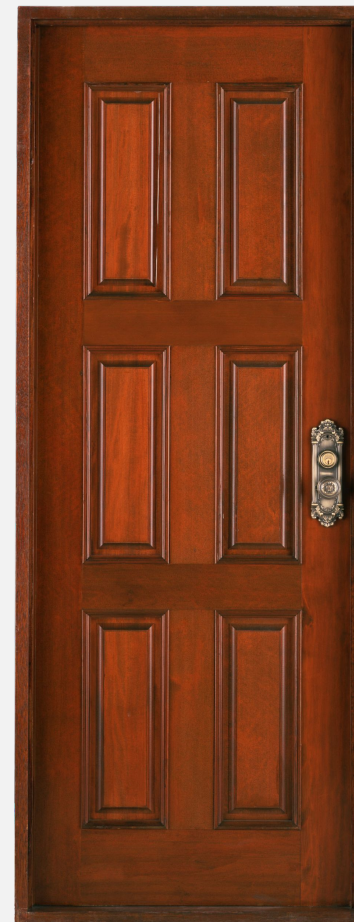

It's their
robot

They are her
scissors

It's their
flower

It's his door

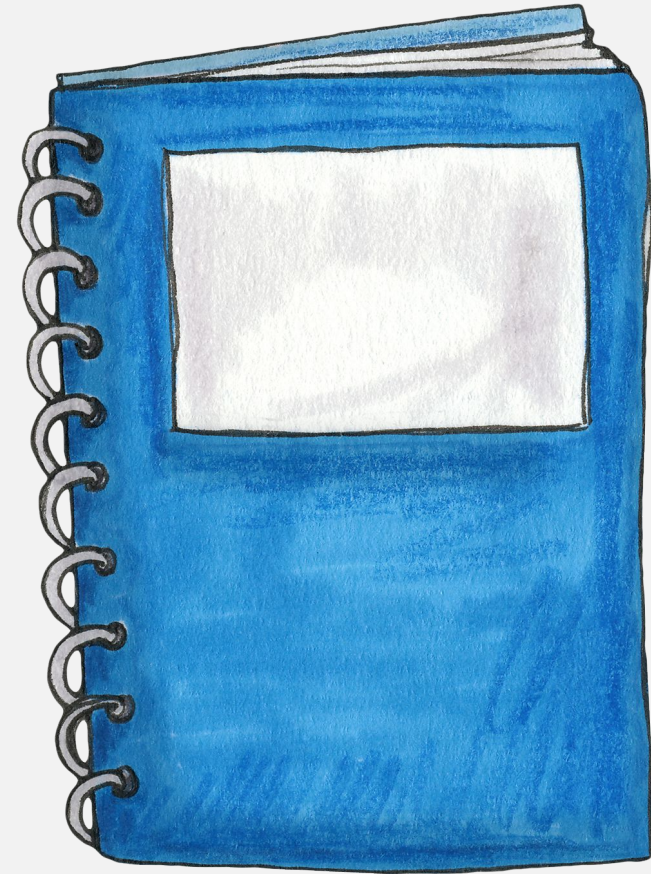

It's their ball

It's his table

It's their
telephone

It's his
notebook

It's his pencil
case

They are her
bananas

It's his pencil

It's her
computer

her / his / their
