Актуальность проекта

Я считаю что эта тема очень актуальная ведь все мы знаем таких персонажей комиксов и не только комиксов как Человек-паук, Халк, Тор и т.д. Но не все знают кто их создал и я считаю если человек любит какого то персонажа то он должен знать человека который этого персонажа воссоздал.

Introduction

- Today I will talk about a wonderful person who gave childhood to many people. About Stan Lee

Biography

- Born and raised in New York, in a family of Jewish immigrants from Romania - Celia (nee Solomon, 1893-1947) and Jack (Jacob Aron) Lieber (1885-1968) [14] [15] [16], on the corner of 98- St and West End Avenue Manhattan [14]. Stan's father was trained as a cutter, but worked little, especially after the great depression, so the family moved to Fort Washington Avenue [17]. When Lee was almost 9 years old, his only brother, Larry, was born. By the time Lee became a teenager, the family began living in a one-room apartment at 1720 University Avenue in the Bronx. Lee and his brother lived in the same room, and their parents slept side by side on a folding sofa.
