

Pancakes week- Maslenitsa!!!

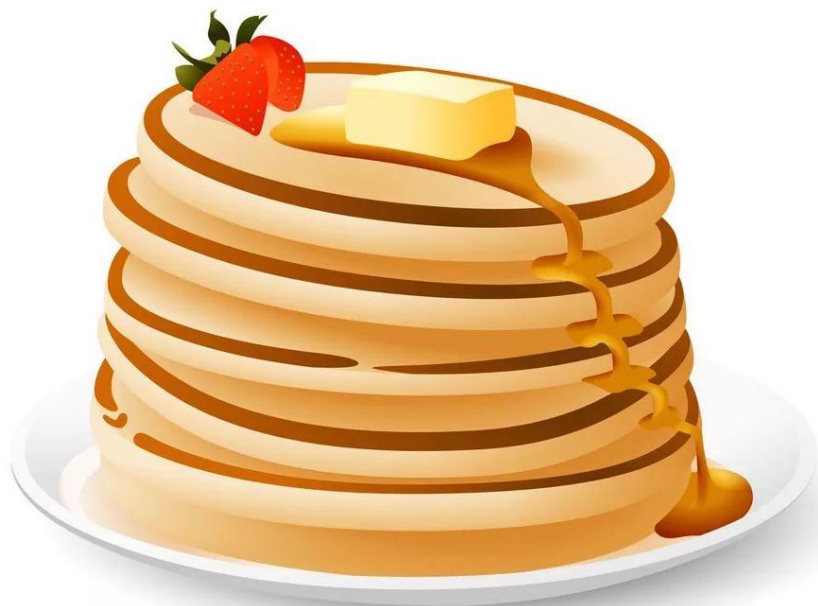

Winter , go away!!!!Spring is coming!!!!

Everybody must make pancakes. A pancake is a symbol of spring. It looks like the Sun!!! The sun is round and the pancake is round. The sun is yellow and the pancake is yellow. “ it is Maslenitsa. Pancakes are today and spring will be tomorrow!”

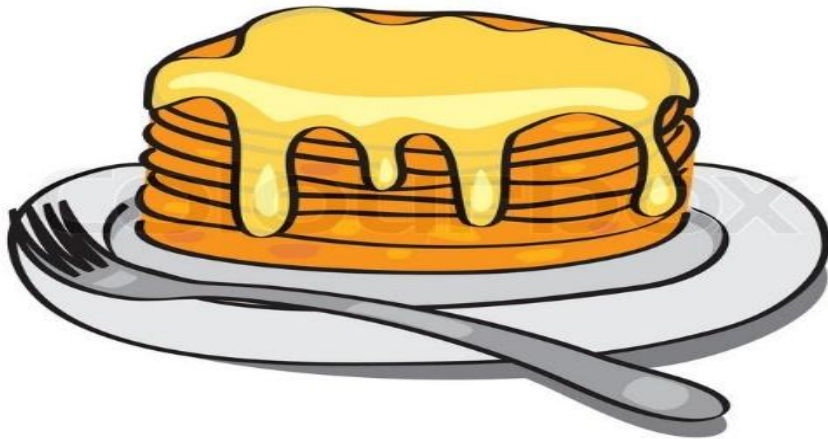

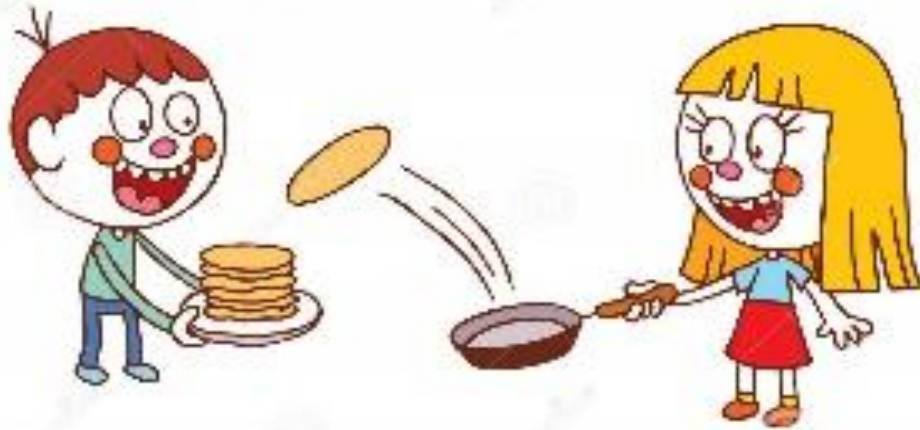

They are pancakes! They are round and tasty!

Children like pancakes. They decorate them with berries, jam and honey!

Children cook pancakes with mum.

We like this Russian holiday!!! It is a family holiday!
