Quality Guarantee

We'll provide a fixed quote clearly outlining the work being done. In the unlikely event that you're not amazed with the outcome, we will redo the work or get a competitor to redo the work for you.

White Glove Guarantee

We guarantee your home will be as clean or cleaner than before we arrived. In the unlikely event this isn't the case, we'll either stay until you're satisfied, or engage professional cleaners.

On time Guarantee

We guarantee your job will be completed within an agreed timeframe. If for reasons within our control the job isn't entirely completed within the timeframe, we'll discount the price by 10%.
