

Let's travel

A vintage-style world map is spread out on a wooden surface. A lantern with a lit candle inside is positioned in the upper right corner, casting a warm glow. A red book is partially visible on the right side of the map. A compass is located in the lower right corner. The map features a grid and various geographical labels. The text is overlaid in a light blue, italicized font.

*The world is a book
and those who do not travel
read only one page.*

-Saint Augustine-

A vintage world map is spread out on a wooden surface. The map is aged and features a grid of latitude and longitude lines. It is surrounded by travel-related items: a glowing lantern in the upper right, a small compass in the lower right, and a dark notebook or folder partially visible on the right side. The text "Let's play Jeopardy!" is overlaid in a blue, italicized font across the center of the map. At the bottom of the map, the website address "www.travelling.be" is printed.
