Music is a universal language. The language of music is understood by all the peoples of the world, no matter the nationality of the author of the music. We listen to music at home, in the car or on a rest. The music is classic and modern.

The classic music is performed in Opera houses and concert halls. There are still classic popular music. These are songs and romances, that they put the people in the past. It's all music that requires serious attitude to it.

There are many renowned performers of classical and folk music, singers and musicians , choirs and orchestras.

Modern music has different kinds: pop, rock, disco, rap, techno and others. Young people like techno and disco. Older people are fond of jazz, rock and pop. There are a lot of singers or music bands who perform this or that kind of music. Everybody knows the founders of rock music.

They are the “Beatles” and Elvis Presley. Now there are a lot of discs and records of different performers. The last achievement in music production is a clip. Musical clips are short films accompanied by the melody

The most famous Ukrainian rock band "Okean Elzy" was born the first concert on the square in front of Lviv Opera theatre. In 1997 there was the first significant solo concert and recorded the first album "Tam, de NAS NEMA".

Since then, the group "Okean Elzy" and its permanent soloist Slava Vakarchuk has come a long successful way. Have released six albums songs. Almost all of them are created by Vyacheslav Vakarchuk.
