

School water audit

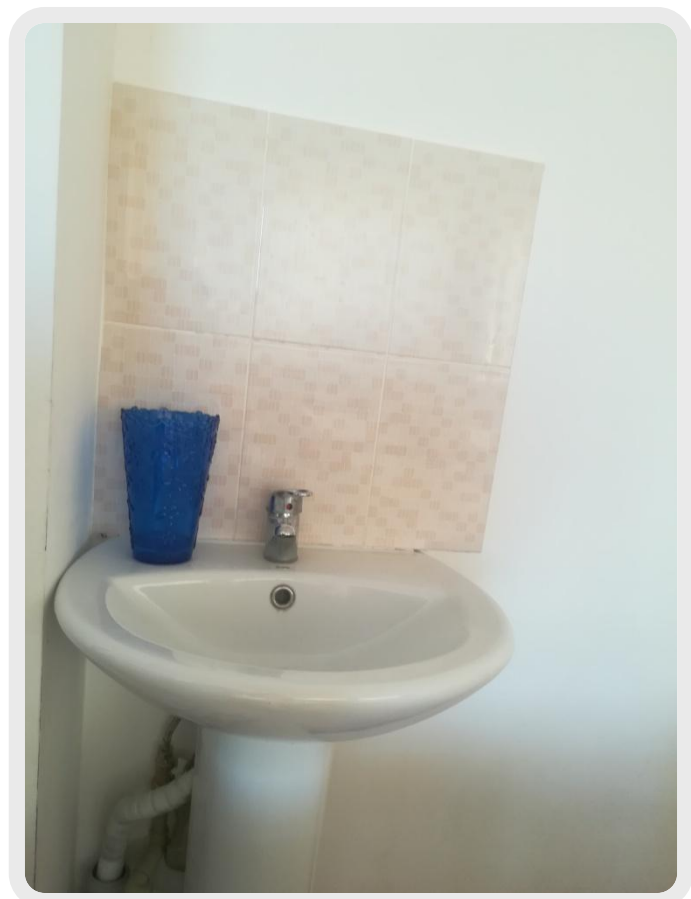

**GYMNASIUM #22
ASTANA,
KAZAKHSTAN**

These are the sinks in our school canteen hall. We noticed that students often leave the water running. We should be more aware

There are the same sinks almost in all classroom of our school.

We are not sure we need them all...

This is the boiler
which keeps
drinkable water.
You may use a
glass or fill your
own bottle

**SUCH KIND OF SINKS ARE
USED IN OUR CANTEEN &
CAFETERIA . EMPLOYEES
AS A RULE DO NOT
SHUT OFF THE TAPS
WHILE WASHING THE
DISHES OR FRUIT**

**THE SINKS IN CAFETERIA
HALL IN THE PRIMARY
SCHOOL BUILDING.**

**THEY ARE NOT TOO MANY
BECAUSE THERE ARE ABOUT
1500 PUPILS STUDY HERE**
