A vibrant cartoon illustration of a forest. On the left, Bugs Bunny stands with his arms crossed, looking towards the center. In the middle, a round, orange character with a red polka-dot headscarf and a wooden wheel is running. The background features lush green trees, a dirt path, and a small stream. A yellow thought bubble is positioned above Bugs Bunny.

A cartoon illustration of a grey wolf with a blue vest and green pants standing on a dirt path in a lush green forest. A yellow thought bubble above the wolf contains the math problem. In the foreground, a small, round, orange character with a red polka-dot headscarf and a wooden shoe is running. At the bottom of the image, there are six blue circular buttons with yellow numbers. A play button icon is in the bottom right corner.

A cartoon illustration of a grey wolf wearing a blue vest and green pants, standing on a dirt path in a lush green forest. Next to him is a small, round, orange character with a red polka-dot headscarf and a wooden shoe. A large yellow thought bubble is positioned above the wolf, containing the mathematical equation 67 + 12. At the bottom of the image, there are six blue circular buttons with yellow numbers, each containing a two-digit number.

A cartoon illustration of a fox and a character in a forest. The fox is on the left, wearing a purple dress and a blue floral patterned skirt. The character is on the right, wearing a red polka-dot headscarf and holding a wooden object. A thought bubble above the fox contains the equation 12+45. At the bottom, there are six blue circles with numbers inside, and a play button icon in the bottom right corner.
