Let's Meet the Huang Family

Fresh Off the Boat

Fresh off the Boat is an American sitcom.

The story is based on the memoir of Eddie Huang. The story's setting is in the 1990s and it is about the life of Eddie and his family when they moved to Orlando from DC's Chinatown.

Eddie is 11 years old at this time and loves hip hop.

Eddie and his immigrant family experience culture shock in this comedy about following the American Dream.

Let's Talk!
