

*My trip to the
playground!*

Let's go to the playground!

I am ready to go!

I am opening the gate.

Follow me to the playground!

I am showing my mum the way to the playground.

I am **running**,

hopping,

creeping and **walking** to the playground!

I am crossing the railway.

I am hiding in a big hole!

I am throwing stones into puddles.
SPLASHHH!!!!

I am climbing the
stone lions.
I am holding the
lion's ears!

I am passing the flowerbeds.

I am climbing on the jungle gym with a little girl.

I am crawling through the tunnel.

I am sliding down the slide.

Whiiiiiiii!

I am climbing a tree.
I can climb really high!

I am walking over the bridge.

I am swinging on the
swing.

I am playing on the merry-go-round.
I am turning around really fast!

I am dizzy.

I am flying the
helicopter.

I am bouncing on the seesaw!
Up, down, up, down!

I am digging a hole in the sandpit
and I am smiling at the camera!

I am relaxing on the swing!

I am climbing
the rope!

I am holding the hoops.
I am really strong!

I am sliding down the fireman's pole.

I love the playground!
