ADVERBS

- Adverbs describe and modify or change other words, just as adjectives do.
- HOWEVER, instead of *describing things*, they *describe actions & qualities*.
- Adverbs *qualify* the meanings of verbs, adjectives, and other adverbs.
- For example:
 - How did the runner run?
 - How deep was the snow?
 - How well did the singer sing?
- Adverbs have the answers to all these questions!

Example

- He played guitar skillfully.
- He played guitar dreadfully.
- He played guitar passionately.

(1) Many adverbs end in *-ly*

- Many adverbs are formed by adding *-ly* to an adjective.
- Ex: lovely, ugly, sadly, happily, briefly, easily, truly.
- **Warning:** *-ly* ending does not guarantee a word is an adjective!

Adjective		<i>-ly</i> Ending		Adverb
Quiet	+	ly	=	Quietly

HOW?

Is or was it done?

- Rules about adverbs:
 1. Use adverbs sparingly b/se they cause wordiness and awkwardness
 2. Beware of words ending in *-ly* that are not adverbs
 - Examples: lovely, lonely, ghastly, and worldly
 - These examples do not answer the question HOW?
 - These examples are really adjectives!
 3. Always go back to the HOW? Rule

HOW? Is/was it done?

(2) Adverbs Modify

- When you use an adverb, you modify or change the meaning of a verb, an adjective, or another verb.
- Modify verb
 - Ex: Good drivers turn the corner **slowly**.
- Modify adjective
 - Ex: **Really** good drivers turn that corner slowly
- Modify adverb
 - Ex: Good drivers turn that corner **very** slowly

(3) Placement of Adverbs

- Adverbs modifying verbs can *usually* be moved around in a sentence w/out changing the meaning.
- Before verb
 - Ex: The car **immediately** stopped.
- After verb
 - Ex: The car stopped **immediately**.
- Adverbs that modify adjectives or other adverbs *belong right in the front of the words they modify*.
- Before adjective
 - Ex: That's an **extremely** dangerous corner for bicycle riders.
- Before adverb
 - Ex: The car turned the corner **really** quickly.
