Цвета - paletton.com/

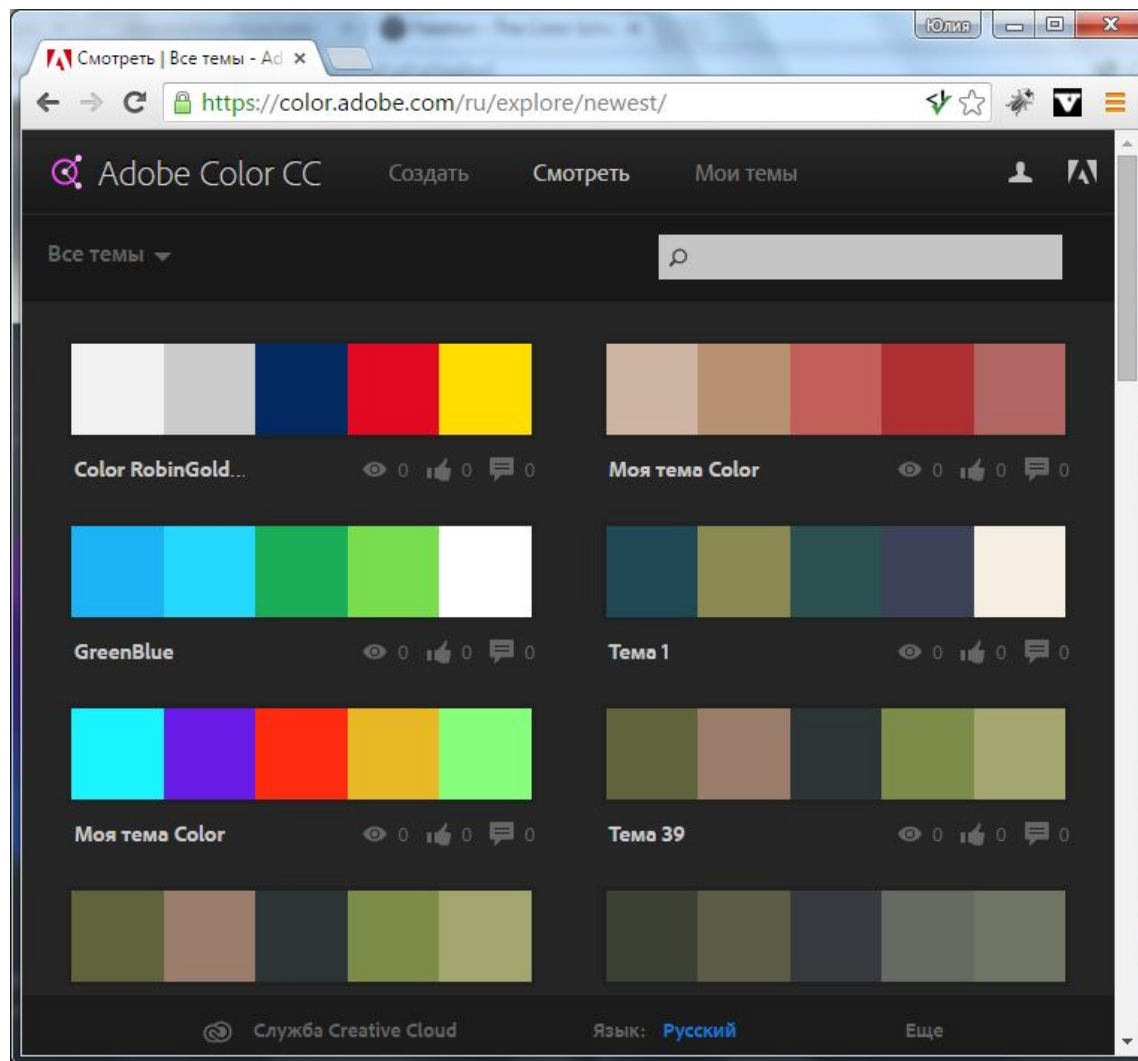

The screenshot displays the Paletton Live Colorizer web application interface. At the top, there is a navigation bar with the following elements: "English" (language selector), "Like it?" (feedback), "Paletton Live Colorizer" (title), "Mobile [scheduled]" (platform), and "More apps [scheduled]" (platform). The main header features the "paletton.com" logo on the left and a set of controls on the right: "< UNDO", "REDO >", "RESET", "RANDOMIZE...", and "MORE INFO".

The central workspace is divided into two main sections. On the left is a large color wheel with a central gradient circle. Above the wheel are five circular icons representing different color schemes. Text next to these icons reads "Triad (4-colors)" and "with complement". Below the wheel, there are input fields for "Hue: 0°" (with "opposite" below it) and "Dist: 30°". At the bottom left of the wheel area, it shows "Base RGB: B43B3B" and a "Fine Tune..." link. At the bottom of this section are two buttons: "COLORS" and "PRESETS".

On the right side of the workspace is a "My Palette" section. It shows a horizontal row of five color swatches: red, teal, light green, and two shades of green. To the right of these swatches is a "Share palette" link. Below this is a large preview area showing a grid of color swatches in various sizes and shades, organized into four quadrants corresponding to the main colors: red (top-left), teal (top-right), light green (bottom-left), and green (bottom-right). At the bottom right of the preview area is a "Vision simulation" icon.

The bottom navigation bar contains four items: "PREVIEW" (with a dropdown arrow), "EXAMPLES...", and "TABLES / EXPORT...".

Лежа неподвижно и даже не жмурясь, я мысленно вижу, как моя мать, в шеншилях и вуали с мушками, садится в сани, как мчит ее, прижавшую сизо-пушистую муфту к лицу, воронья пара под синей сеткой.

Лежа неподвижно и даже не жмурясь, я мысленно вижу, как моя мать, в шеншилях и вуали с мушками, садится в сани, как мчит ее, прижавшую сизо-пушистую муфту к лицу, воронья пара под синей сеткой.

Видеуроки

<http://compteacher.ru>

The screenshot shows a web browser window with the address bar displaying `compteacher.ru/graphics/`. The page features a yellow header with the text "ОНЛАЙН КОМПЬЮТЕРНЫЕ ВИДЕО УРОКИ" and navigation links: Главная / Правила / Контакты / Регистрация. Below the header is a yellow navigation bar with categories: Сети, Windows, UNIX, Графика, Web дизайн, Программирование, Видеомонтаж, and Еще. A dropdown menu is open under "Графика", listing various software and topics: Уроки фотшопа онлайн, Autodesk Maya, 3D Max видеоуроки, Cinema 4D, ZBrush уроки, Corel Draw, Adobe Flash, Adobe illustrator, Adobe Indesign, Expression Studio, GIMP, Corel Paintshop, and Google Picasa. The main content area includes a "Каталог" section with sub-categories like Сети (118), Обучение Windows (64), and Unix (16). There is also a "Мы социальные!" section with a G+ button and a Facebook "Нравится Страница" button.

Генератор HTML+CSS шаблона csstemplater.com/

Редактор HTML+CSS+JS и браузер jsfiddle.net

The image shows the jsfiddle.net web editor interface. At the top is a blue navigation bar with the JSFIDDLE logo and icons for Run, Save, TidyUp, JSHint, and Collaboration. On the right side of the bar is a 'Login/Sign up' link with a user icon. Below the navigation bar is a sidebar on the left containing several sections: 'Frameworks & Extensions', 'Fiddle Options', 'External Resources', 'Languages' (with dropdown menus for HTML, CSS, and JavaScript), 'Ajax Requests', and 'Legal, Credits and Links'. At the bottom left of the sidebar is a 'Keyboard shortcuts' link. The main workspace is divided into four panels: 'HTML' (top-left), 'CSS' (top-right), 'JavaScript' (bottom-left), and 'Result' (bottom-right). Each panel has a vertical line number indicator on the left side, currently showing '1'. The panels are currently empty.
