The screenshot shows the Typetester website interface. At the top left is the logo 'TYPETESTER COMPARE SCREEN TYPE'. To the right is a red t-shirt icon with the text 'Show support Buy Typetester Tee'. Below the logo is a 'sample text' box containing the text: 'Лежа неподвижно и даже не жмурясь, я мысленно вижу, как моя мать, в шеншилях и вуали с мушками, садится в сани, как мчит ее, прижавшую сизо-пушистую муфту к лицу, воронья пара под синей сеткой.' To the right of the sample text are navigation links: 'about', 'requirements', 'step by step', 'resources', and 'tools'. Below these are settings for 'current settings on this computer', 'recent / most wanted settings', and 'Out CSS for: 1st 2nd 3rd column.' The main area is divided into three columns, each with a 'Choose typeface from the list...' dropdown and a '... or specify your own:' input field.
