

A day of my life

Anastasiia Ivanova

- My name is Nastia.
I`m 11 and I`m a
pupil.

What do I do every
day? I get up at 7.00
every day. I do
moning business:
have a breakfast,
brush me teeth,brush
my haer and wear my
uniform. After that I
go to my school.

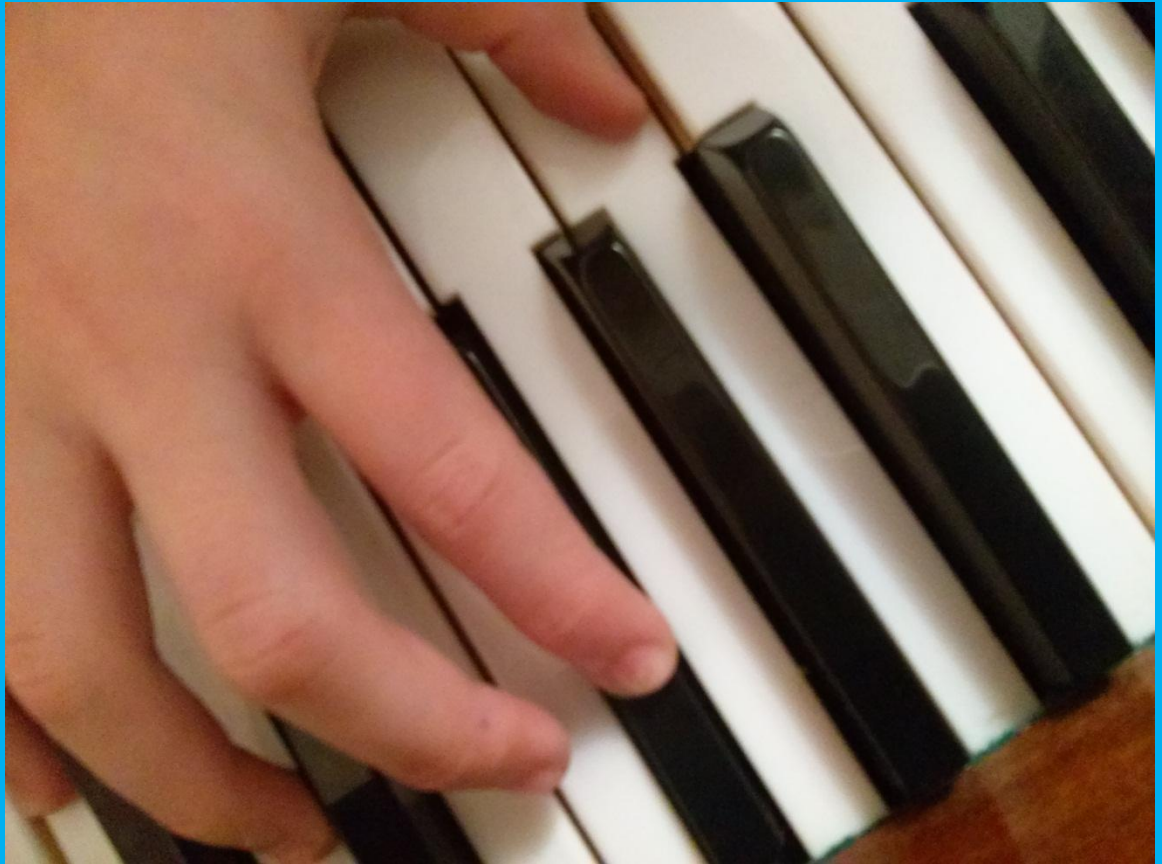

- Our school day start at 8.30. Usually we have 7 lessons and only on Friday we have 6 lessons. We study foreign languages, math, biology, Ukranish, musik, art, sport, literatur, geography, history and other subjects.

On the labor lessong,
when teacher came
out of the class.

I love and respect our teachers. Although some of them are quite strict, they give interesting lessons and proper knowledge. My classmates are talented and smart children and I respect everybody of them.

- After school I usually go to musik school. I really love play the piano; it`s my hobby. I play classical music. It can be fast and happy, slow and romantic.

- At 5.30 I already at home. I do my homework, have a dinner and again do my homework. Sometimes I do my another hobbies, for examples, painting.

After that I do my
evening business and
go sleep.
