

Holidays

I was in the park on the May holidays.

I played with the ball and walked.

Walking in the fresh air is very interesting and useful. I like to go out with my mom and my friends

**I was in the park
with my friends on
the May weekend. I
have a lot of good
friends. My friends
and I walk, play and
tell each other
interesting stories.**

- I was at the summer house on the May weekend.
- I like to spend time in the country. I help my relatives, I play on the street
